Specifications

Summary overview:

Upgrade the mobility and stability of your equipment with the RCT CS004 Castor Wheel Set. This premium kit includes four robust plate-mounted swivel castors-two equipped with reliable locking brakes to prevent unwanted movement when stationary, and two standard swivel castors for smooth directional rolling. Crafted from tough materials, this set supports typical loads like UPS units, network cabinets, or battery boxes, ensuring effortless repositioning and firm standstill when needed. Each wheel's swivel design enables easy 360 degrees maneuvering, while the brakes provide secure hold in place. Installation is straightforward using standard hardware, making it a versatile accessory for workshops, offices, server rooms, and AV setups.

Features:

- Set includes: 4 castors (2 lockable + 2 non-lockable)
- Swivel plate-mount design with 360 degrees rotation
- Secure locking mechanism on two wheels for stability
- Durable construction for industrial and commercial use
- Ideal for cabinets, battery boxes, server racks, carts, and more
