Specifications

Overview:

The Casey Condere Rectangular Single Pan Chafing Dish also known as a Baine-Marie Single Pan Chafing Dish is a strong, durable and effective kitchen utensil that comes complete with Lid and fuel holders and brings incredible value for money for everyday catering. The large full size chafer with a 10 Litre capacity and stainless steel frame is an attractive food preparation utensil that is perfect for any occasion for cooking at the table or as a food warmer for keeping food warm at a buffet or self-service purposes. This traditional Chafing dish works by placing a heat source underneath a stainless steel container filled with hot water, onto which a container filled with a food substance will be kept heated at a serving temperature. Chafers are great for holding large amounts of foods for buffets, caterings, parties, cruises, social functions or home gatherings. Manufactured from stainless steel this chafer come complete with Steam Pan and Base, Single Food Pans, Lid with Handles Cover and Two Fuel Holders. The removable lid support is positioned between the frame and steam pan, allowing the lid to rest behind the long side. This fantastic chafing dish set offers incredible value for money. Extremely easy to clean, this chafing dish set is an outstanding buy!
