Overview:

Brother DCP-L2640DW Mono Laser All-in-One Printer (A4) - Print, Scan, Copy for Business Efficiency

The Brother DCP-L2640DW is a compact mono laser multifunction printer designed for fast-paced home offices and small business environments. It combines printing, scanning, and copying in a single device, delivering strong productivity with reliable performance, fast output speeds, and flexible connectivity options including WiFi, Ethernet, and USB.

This model supports high-volume document handling with a 250-sheet paper tray and a 50-sheet automatic document feeder, making it suitable for continuous workflows. It also includes automatic duplex printing to reduce paper usage and improve efficiency, while maintaining sharp monochrome output suitable for professional documents.

Description:

A compact 3-in-1 mono laser printer built for productivity-focused environments. The Brother DCP-L2640DW delivers fast document output, reliable scanning and copying, and flexible connectivity options for wired and wireless workflows. It is designed to streamline office tasks with automatic duplex printing, an ADF for multi-page scanning and copying, and mobile printing support via app integration. Its compact footprint makes it suitable for tight office spaces while still supporting high-volume printing demands.

Features:**Fast Output and Daily Performance Efficiency**

Designed for speed and consistency, this printer delivers up to 34 pages per minute with a first print output in under 8.5 seconds. The automatic duplex printing system supports up to 16 sides per minute, helping reduce manual intervention and improve document processing efficiency.

Key performance details include:

- Print speed up to 34 ppm
- First page output in under 8.5 seconds
- Automatic double-sided printing for paper savings
- 256MB internal memory for smoother processing

Connectivity and Workflow Integration

The DCP-L2640DW supports a wide range of connectivity options to suit modern office environments. Users can connect via WiFi Direct, wireless LAN, Ethernet, or Hi-Speed USB 2.0, enabling flexible deployment across multiple devices and network setups.

It also integrates with mobile printing solutions, allowing document management directly from smartphones and tablets through compatible applications.

Paper Handling and Document Processing Capacity

Built for productivity, the device includes a 250-sheet input tray and a 50-sheet automatic document feeder for multi-page scanning and copying. Output capacity reaches up to 120 sheets, supporting uninterrupted workflow for office tasks.

Supported media handling includes:

- A4, Letter, A5, A6, Legal, Executive, Folio sizes
- Plain paper, recycled paper, envelopes, labels, and bond paper
- Manual feed slot supporting heavier media up to 230 gsm

Print Quality and Scanning Precision

The printer delivers up to 1200 x 1200 dpi print resolution for sharp text output. Scanning is handled via flatbed and ADF options, with up to 1200 x 1200 dpi on the scanner glass and 600 x 600 dpi through the ADF.

Copying supports up to 99 multiple copies per job, with scaling from 25% to 400% for document resizing flexibility.

Design, Usability, and Office Fit

The compact form factor, measuring 410 mm x 399 mm x 319 mm and weighing 10.3 kg, makes it suitable for limited desk space. A two-line LCD display provides simple navigation and status monitoring, while quiet mode operation helps reduce noise in shared workspaces.
