Specifications

Overview Summary:

The Dell EC24250 23.8-inch Full HD All-in-One PC combines modern style with reliable performance for business, home, and everyday productivity. Powered by the Intel Core 7 150U processor with 16GB DDR5 memory and a fast 1TB SSD, this sleek all-in-one desktop delivers smooth multitasking, quick startup times, and efficient performance for office applications, streaming, online meetings, and content creation. The compact narrow-border display and Pearl White finish add a clean, professional look to any workspace.

Enjoy immersive visuals on the Full HD anti-glare IPS display with built-in Dolby Atmos speakers and a 5MP IR camera for clear video conferencing. With Wi-Fi 6E, multiple USB ports, HDMI connectivity, and Windows 11 Pro, this Dell All-in-One desktop is built for modern productivity and entertainment. Buy now and shop now for a premium desktop PC solution in South Africa.

Performance tier:High-performance productivity and business desktop

Uses:Office work, remote work, video conferencing, multitasking, home computing, streaming, online learning, business productivity

Overview:

Dell EC24250 23.8 Inch Full HD All-in-One PC with Intel Core 7 and Windows 11 Pro

The Dell EC24250 All-in-One desktop brings together modern design, reliable performance, and immersive entertainment in a compact 23.8-inch form factor. Built for productivity, remote work, home offices, and everyday multitasking, this sleek all-in-one PC combines a vibrant Full HD IPS display with powerful Intel Core 7 processing and fast DDR5 memory. Its narrow-border anti-glare screen and elegant Pearl White finish allow it to fit naturally into both professional and home environments.

Designed to simplify your workspace, the system integrates powerful computing hardware, premium audio, and a high-quality webcam into one streamlined device. Whether you are working on business tasks, streaming media, attending online meetings, or managing creative projects, the Dell EC24250 delivers smooth and responsive performance.

Description:

The Dell EC24250 All-in-One PC is a stylish and space-saving desktop solution featuring a 23.8-inch Full HD anti-glare display, Intel Core 7 150U processor, 16GB DDR5 memory, and a fast 1TB SSD. With Dolby Atmos audio, a 5MP IR camera, Wi-Fi 6E connectivity, and Windows 11 Pro, it is designed for modern productivity, video conferencing, entertainment, and

multitasking. Its compact design, integrated speakers, and versatile connectivity make it ideal for both professional and home use.

Features:

Immersive Full HD Viewing Experience

Enjoy crisp visuals and realistic colour reproduction on the 23.8-inch Full HD IPS display with a 1920 x 1080 resolution. The anti-glare narrow-border panel enhances comfort during long viewing sessions while maintaining a clean and modern appearance.

The display supports 99% sRGB colour coverage, making it suitable for content consumption, office work, online learning, and general creative applications. Dell ComfortView Plus technology also helps reduce harmful blue light emissions to improve viewing comfort throughout the day.

Key display details include:

- 23.8-inch Full HD IPS display
- 1920 x 1080 resolution
- Anti-glare narrow-border design
- 99% sRGB colour coverage
- Non-touch Infinity display panel

Strong Everyday Performance with Intel Core 7

Powered by the Intel Core 7 150U processor, the Dell EC24250 is built to handle demanding multitasking and daily productivity with ease. The processor features 10 cores, combining performance and efficiency cores for balanced power consumption and responsiveness.

With turbo boost speeds reaching up to 5.4GHz and 16GB DDR5 memory, applications launch quickly and multitasking remains smooth even when running multiple programs simultaneously.

Performance highlights:

- Intel Core 7 150U 10-core processor
- Turbo boost up to 5.4GHz
- 12MB Intel Smart Cache
- 16GB DDR5-5200 memory
- 2x SO-DIMM memory slots
- 1TB M.2 PCIe SSD storage

The included 1TB solid state drive provides fast boot times, responsive application performance, and ample storage for files, business documents, media libraries, and software installations.

Optimised for Video Calls and Collaboration

The integrated 5MP IR camera delivers sharp video quality for virtual meetings, online classes, and remote collaboration. HDR support helps improve image quality in varying lighting conditions, while the adjustable tilt design allows users to find a comfortable viewing angle.

For additional privacy, the pop-up camera can be pushed down when not in use.

Camera and communication benefits:

- 5MP infrared webcam
- HDR camera technology
- Adjustable tilt from 0 to 20 degrees

ComX Computers

Product Specification Sheet

- Pop-up privacy camera design
- Dual integrated speakers
- Dolby Atmos spatial sound

The enhanced audio system produces clear voice quality and immersive sound for conferencing, streaming, and entertainment.

Modern Design for Home or Office

The Dell EC24250 All-in-One desktop blends performance with a minimal desktop footprint. Its elegant Pearl White finish and integrated fabric speaker grille create a premium appearance that works well in modern office or home setups.

The innovative stand design also helps reduce desk clutter by creating storage space beneath the display for the included wireless keyboard.

Included accessories:

- Dell Pro wireless keyboard
- Dell wireless mouse

The compact all-in-one layout reduces cable clutter while maintaining a professional and organised workspace.

Connectivity and Expansion Options

The Dell EC24250 provides versatile connectivity for peripherals, networking, external displays, and accessories. Multiple USB ports, HDMI input and output, and Wi-Fi 6E support allow users to build an efficient workstation setup.

Connectivity options include:

- 1x USB 3.2 Type-C Gen 2 port
- 3x USB 3.2 Gen 1 ports
- 1x USB 3.2 Gen 2 port with PowerShare
- 1x HDMI-out 1.4b
- 1x HDMI-in 1.4
- RJ45 Ethernet port
- SD card reader
- Headset combo audio jack
- Intel Wi-Fi 6E AX211
- Bluetooth support

The HDMI-in capability also allows the display to function with compatible external devices or secondary PCs.

Windows 11 Pro Productivity

Running on Windows 11 Pro 64-bit, the Dell EC24250 offers a modern operating system designed for productivity and multitasking. Integrated AI-powered tools and improved workflow management help users stay organised and efficient throughout the day.

Windows 11 Pro benefits include:

- Enhanced multitasking tools
- Improved security and business functionality
- AI-powered Copilot integration
- Streamlined modern interface
- Better productivity management

Sustainable Design Approach

Dell has incorporated environmentally conscious materials into the EC24250 All-in-One desktop, including recycled plastics and recycled steel components. The packaging also uses a high percentage of recycled or renewable materials, helping reduce environmental impact without compromising build quality.

Dell EC24250 Technical Summary

Important hardware details at a glance:

- Model: Dell EC24250 All-in-One PC
- SKU: DTDEEC24250003SC7PRO
- Display size: 23.8 inches
- Resolution: Full HD 1920 x 1080
- Processor: Intel Core 7 150U
- Memory: 16GB DDR5-5200
- Storage: 1TB PCIe SSD
- Operating system: Windows 11 Pro 64-bit
- Wireless: Intel Wi-Fi 6E and Bluetooth
- Colour: Pearl White
- Camera: 5MP IR tilt webcam

Why Choose the Dell EC24250 All-in-One Desktop

The Dell EC24250 combines premium design, fast modern hardware, immersive audio, and business-ready functionality in a compact desktop solution. Its balance of performance, connectivity, and visual quality makes it well suited for professionals, students, remote workers, and home users looking for a clean and capable all-in-one PC.
