Specifications

Summary Overview:

Upgrade your workflow with the sleek and powerful HP ProBook 4 Flip G2i AI 13 Series, now available for purchase in South Africa. This versatile convertible notebook combines an Intel Core 7 processor with advanced AI capabilities to deliver seamless multitasking and enhanced security through HP Wolf Security. Featuring a vibrant 13.3-inch touchscreen, ample storage, and all-day battery life, it is the ideal companion for professionals who need reliability on the go.

Don't let limited mobility hold you back from productivity. Secure your device today with fast shipping across South Africa and take advantage of our exclusive offers designed to help you buy now without compromise. Elevate your business performance with a machine built for adaptability, security, and speed.

Laptop performance tier:High-performance Business

Uses:Productivity, Office Work, Video Conferencing, Content Creation, Education

Overview:

The HP ProBook 4 Flip G2i AI 13 Series, Part Number E40XKET, is a versatile convertible PC built for mobile professionals and educators who demand power and adaptability. This Silver notebook combines the performance of an Intel Core 7 processor with advanced AI capabilities to handle multitasking seamlessly while preserving battery life. Whether you are working in an office or collaborating on a project from a coffee shop, this device offers a robust platform designed for modern business needs.

Description

This HP notebook features a sleek flip design that transforms into a tablet mode with the included HP Garage Pen, making it ideal for note-taking and presentations. Powered by an Intel Core 7 350 Series processor and an integrated NPU delivering up to 17 TOPS of AI performance, it ensures smooth operation for demanding tasks. The device comes equipped with 16GB of LPDDR5 onboard memory and a fast 512GB PCIe SSD for quick boot times and ample storage. Security is prioritized with HP Wolf Security and HP Sure Sense, protecting your data against evolving threats while the Windows 11 Pro operating system keeps you organized with Microsoft Copilot assistance.

Features:

Performance and AI Capabilities

At the heart of this machine lies a powerful Intel Core 7 350 Series processor featuring six cores designed for efficiency. The architecture includes two performance cores and four low-power efficient cores, allowing for intelligent task management that boosts productivity without draining the battery. With a Turbo Boost speed reaching up to 4.8GHz and a generous 6MB L3 cache, complex applications run smoothly. The integrated Intel NPU provides peak performance of 17 TOPS, enabling smart multitasking and enhanced AI-driven features for business workflows.

Display and Visual Experience

The 13.3-inch diagonal display offers a crisp WUXGA resolution of 1920 x 1200 pixels on an IPS panel with capacitive multi-touch support. The screen is non-glossy with anti-glare properties to reduce eye strain, and it delivers 300 nits of brightness for clear visibility even in well-lit environments. Covering 62.5% of the sRGB color gamut, this display ensures accurate colors for professional work, while the HDR camera and tuned audio create an immersive experience for video calls.

Connectivity and Ports

Staying connected is effortless with the latest Intel Wi-Fi 7 technology and Bluetooth capabilities. The device includes a Gigabit Ethernet LAN port for stable wired connections when needed. You will find a comprehensive selection of ports including two USB Type-A 5Gbps connectors, two high-speed USB Type-C ports supporting DisplayPort 2.1 and USB Power Delivery 3.0, an HDMI output, and a combined headphone/microphone jack. The system also supports fast charging, reaching 50% battery in just 30 minutes.

- Operating System: Microsoft Windows 11 Professional 64 bit
- Processor: Intel Core 7 350 Series 3 Six (6) Core Wildcat Lake up to 4.8GHz
- Memory: 16 GB LPDDR5 onboard (No expansion slots)
- Storage: 512GB PCIe NVMe M.2 SSD
- Graphics: Intel Graphics with NPU support
- Wireless: Wi-Fi 7 and Bluetooth 6

Safety and Build Quality

Security is built into the very fabric of this notebook through HP Wolf Security for Business, which provides multi-layered protection against malware and ransomware. The device includes hardware-enforced security via HP Sure Click and behavioral analysis with HP Sure Sense to defend against unknown threats. Physical safety is also considered with a spill-resistant backlit keyboard, an accelerometer, thermal sensors, and an inertial measurement unit sensor. The chassis weighs approximately 1.4 kg (starting at 1.38 kg without the power adapter), making it portable yet durable for daily travel. The HP ProBook 4 Flip G2i is finished in Pike Silver and includes a fingerprint reader for secure login. It runs on a long-life 3-cell 48 Wh Li-ion battery that ensures you stay powered through your workday. The audio system features dual stereo speakers and dual microphones enhanced by AI noise reduction, ensuring clear sound quality during meetings.

Sustainability Specifications

This device is designed with environmental responsibility in mind. It contains at least 10% post-consumer recycled plastic and 55% recycled metal components. The packaging is made from paper-based materials sourced from certified or recycled sources, and the external power supply achieves 90% efficiency. The product also features a low halogen design to reduce environmental impact.

What's in the box

- HP ProBook 4 Flip G2i Notebook
- HP Garage Pen
- 65 W USB Type-C GaN power adapter

Specifications:

Operating system	Windows 11 Pro
Processor family	Intel Core 7 processor
Processor	Intel Core 7 350 Series 3 Six (6) Core Wildcat Lake Turbo Boost up to 4.8GHz 6MB L3 Cache Processor (2 Perfomance Cores & 4 Low Power Efficient Cores)
Graphics	Integrated
	Intel Graphics
Memory	16 GB LPDDR5x-8533 MT/s (onboard)
Memory Slots	1 SODIMM
Internal Storage	512 GB PCIe NVMe M.2 SSD

Display	13.3" diagonal, WUXGA (1920 x 1200), touch, IPS, anti-glare, 300 nits, 62.5% sRGB
Display	33.8 cm (13.3") diagonal, WUXGA (1920 x 1200), touch, IPS, anti-glare, 300 nits, 62.5% sRGB
Touchscreen	Yes
Color gamut	62.5% sRGB
Brightness	300 nits
Dimensions (W x D x H)	30.27 x 21.69 x 1.05 cm (minimum front) , 30.27 x 21.69 x 1.65 cm (minimum rear) , 30.27 x 21.69 x 1.15 cm (maximum front) , 30.27 x 21.69 x 1.75 cm (maximum rear) (Front height measurement is near the front edge where the chassis bottom cover taper begins. Back height measurement is near the back edge where the chassis bottom cover taper ends.)
Weight	Starting at 1.38 kg (Weight will vary by configuration. Does not include power adapter.)
Battery type	HP Long Life 3-cell, 48 Wh Li-ion
Battery life	(Battery is internal. Serviceable by warranty. Fast charging 50% in 30 minutes.)
Wireless	Intel Wi-Fi 7 BE211 (2x2) and Bluetooth 6 wireless card, non-vPro
Product color	Pike silver
Keyboard	Spill-resistant, backlit keyboard
Camera	World-facing 5 MP camera
Audio	Audio by Poly Studio, dual stereo speakers, dual microphones enhanced by AI noise reduction
Pointing device	Clickpad with multi-touch gesture support, taps enabled as default
Ports	1 HDMI 2.1 , 1 stereo headphone/microphone combo jack , 1 nano security lock slot , 2 USB Type-A 5Gbps signaling rate (powered) , 2 USB Type-C 20Gbps signaling rate (USB Power Delivery 3.0, DisplayPort 2.1)
Power	HP 65 W USB Type-C GaN power adapter
Fingerprint reader	Fingerprint reader
Input devices	Accelerometer , HP Sure Platform , Thermal sensor , HP Tamper Lock , Inertial Measurement Unit sensor
Sustainability specifications	At least 10% post-consumer recycled plastic , At least 55% recycled metal , Product Carbon Footprint , HP paper-based packaging is from recycled or certified sources , Low halogen , Bulk packaging available , External power supply 90% efficiency
