

EDA50-CB-2

Honeywell Quad charging base for 4 Mobile computers

Product Overview

Honeywell Quad charging base for 4 Mobile computers, EDA50-CB-2, Compatible products - EDA50 / EDA50hc / EDA51

Specifications

Overview Summary:

The Honeywell EDA50-CB-2 Quad Bay Charging Base provides a convenient and reliable charging solution for compatible Honeywell EDA50, EDA50hc and EDA51 mobile computers. Designed for business environments, this AC-powered charging dock helps keep multiple devices organised and ready for daily operations. Buy now for dependable charging in retail, warehousing, healthcare and field service applications.

Keep your mobile computers powered with an original Honeywell charging accessory built for compatibility and ease of use. Whether you are replacing an existing charging dock or expanding your charging setup, the EDA50-CB-2 is a practical choice. Shop now for fast and reliable charging performance. Thermal Printer Supplies+1

Performance tier:Business Grade

Uses:Charging Honeywell mobile computers, retail operations, warehouse device management, healthcare environments, field service, enterprise mobility deployments

Overview:

Honeywell Quad Bay Charging Base for EDA50, EDA50hc and EDA51

Keep multiple Honeywell mobile computers powered and ready with the Honeywell Quad Bay Charging Base EDA50-CB-2 . Designed for busy business environments, this charging dock provides a convenient way to charge up to four compatible mobile computers from a single location, helping reduce downtime and improve workflow efficiency. Its compact desktop design makes it an ideal solution for retail, warehousing, healthcare, logistics, and other demanding workplaces.

Description:

The Honeywell EDA50-CB-2 Quad Bay Charging Base is built to simplify device management by allowing multiple Honeywell handheld mobile computers to be charged simultaneously. With reliable AC-powered operation and a durable black finish, it is

Product Specification Sheet

well suited for high-volume environments where devices need to remain fully charged throughout the working day. Whether deployed in a warehouse, retail store, or healthcare facility, this charging base helps keep your operations running smoothly.

Features:

Compatible Honeywell Mobile Computers

The charging base is designed for use with the following devices:

- Honeywell EDA50
- Honeywell EDA50hc
- Honeywell EDA51

Key Benefits

The Honeywell EDA50-CB-2 offers an efficient charging solution for organisations that rely on multiple mobile computers every day. By keeping devices organised and charging in one dedicated location, it reduces cable clutter while making devices easier to access when needed.

It is an excellent choice for businesses looking to improve productivity, minimise charging interruptions, and ensure compatible Honeywell mobile computers are always ready for use.

Technical Details

- Part Number / SKU: EDA50-CB-2
- Product type: Indoor charging base
- Colour: Black
- Power source: AC
- Charging capability: Quad bay charging base for up to four compatible mobile computers
- Designed for Honeywell EDA50, EDA50hc, and EDA51 mobile computers

Ideal Applications

The Honeywell Quad Bay Charging Base EDA50-CB-2 is suitable for:

- Retail stores
- Warehouses and distribution centres
- Healthcare environments
- Field service operations
- Logistics and transportation
- Inventory management

If you are deploying multiple Honeywell mobile computers, the Honeywell EDA50-CB-2 charging base provides a practical and organised charging solution that helps maximise device availability while keeping your workspace tidy.
