Specifications

Overview:

Understanding the difficulties to get your massive data from a laptop to a desktop or vice versa, ICY DOCK has creatively developed the MB452 series with a removable tray that's compatible with the ICY DOCK's MB122 & MB123 Series internal drive rack that allows storage drive interchangeabilities between laptop and desktop platforms. With its sleek exterior, solid construction, the MB452 series is one of the most convenient storage devices that enable multiple drive accessibility utilizing one simple external housing. No more clumsy installation procedures in creating a time efficient storage environment! Also, the storage drive security feature utilizes a power control locking mechanism that allows users to both power down and lock up the storage drive, making it both inaccessible and unobtainable to keep the drive fully secured and safe.

Suggested Applications:

Add-on data/media files storage to laptops, graphics & video editing, on field imaging from surveillance DVR recordings, interchange of data between corporate/school/home workstations, data file backups.

Features:

- Host: Plug & Play USB 2.0 + eSATA combo
- Drive Fit: Hot Swappable 1 x 3.5" SATA I or II
- Multi-drive exchangeability & maintenance capabilities with simple removal of drive tray
- Solid aluminum construction to protect your storage drive and provide the overall cooling
- Warm air Intake fan cooling of drive
- Horizontal/Vertical positioning options with retractable foot stands for vertical lay
- Safeguard key lock capable of power control to disable data accessibility from others
- Interchangeable drive capability, making data accessible as desired when using a PC platform

Product Specification Sheet

Specifications:

Item No.: Beige	MB452MK
Item No: Black	MB452MK-B
Item No.:Silver	MB452MK-S
Host Interface	eSATA + USB2.0 combo
Drive Fit	1 x 3.5" SATA I / II
Drive Type	Standalone with horizontal or vertical positioning
Transfer Rate	eSATA: 3 Gb/sec.USB2.0: 480 Mb/sec.
Insert & Extract connection Via	64 pin industrial DIN converter
Structure	Aluminum body w/ partial plastic
Drive Cooling	Aluminum heat dispersion w/ 1 x rear outtake fan
Indication	Device Power & Drive Activity
LED Display Color	Green : Device Power ; Amber : Drive Activity
Drive Security	3 segment key lock
OS Requirement	Windows 98/SE/ME/2000/XP ; Mac OS 9.0 or higher
Dimension (L x W x H)	240 x 162 x 46 mm
Weight	4.20 lbs.
Compatible Drive Tray : Beige	MB122SBOX / MB123SBOX
Compatible Drive Tray : Black	MB122SBOX-B / MB123SBOX
Compatible Drive Tray : Silver	MB122SBOX-S / MB123SBOX-S
