Specifications

Features:

Simple add-on storage that goes with you

The Seagate Expansion Portable hard drive offers an easy-to-use solution when you need to instantly add storage to your computer and take files on the go.

- Drag and drop file saving, right out of the box
- USB powered
- Fast data transfer with USB 3.0 connectivity

The easy-to-use storage solution

The Expansion portable hard drive can be installed easily by plugging in a single USB cord. You can start saving your digital files to this external hard drive within seconds of removing it from the box.

Installs in seconds

Seagate® Expansion™ portable hard drive features make it incredibly easy to use this drive right from the box.

- Simply plug the included USB cable into your computer - no external power supply is needed.
- The drive is automatically recognised by the Windows operating system - no software to install and nothing to configure.
- Drag and drop to save files to the Expansion portable drive.
- Built-in power management automatically ensures energy-efficient operation
