Specifications

Overview Summary:

The Epson EcoTank L3310 A4 Multifunction Ink Tank Printer is an efficient all-in-one solution for printing, scanning and copying at home or in a small office. Its refillable ink tank system delivers exceptionally low running costs while producing sharp documents and vibrant colour prints. With high-yield ink included, USB connectivity and compact dimensions, it is designed for reliable everyday use.

Whether you need school assignments, business documents or family photos, the EcoTank L3310 delivers consistent performance with excellent print quality. Buy now and enjoy affordable, cartridge-free printing, or shop now for a dependable multifunction printer built for long-term value in South Africa.

Performance tier:Mid-range

Uses:Home printing, small office printing, document printing, colour printing, scanning, copying, school projects, photo printing, everyday paperwork

Overview:

Compact EcoTank A4 Multifunction Printer

The Epson EcoTank L3310 is a compact all-in-one ink tank printer designed for affordable everyday printing, scanning, and copying. Built for homes, students, and small offices, it combines high-quality output with exceptionally low running costs thanks to its refillable ink tank system. With up to three years of ink included in the box, you can produce thousands of pages before needing to purchase more ink, making it an economical choice for high-volume printing.

Its space-saving design fits comfortably into smaller workspaces while still delivering sharp text, vibrant colour documents, and borderless photo printing up to 10 x 15 cm. The easy-to-refill ink bottles and front-facing ink level display make day-to-day operation simple and convenient.

Description:

The Epson EcoTank L3310 A4 Multifunction Ink Tank Printer is built to deliver reliable printing, scanning, and copying while significantly reducing the cost per page. Equipped with Epson's Micro Piezo print head and Heat-Free printing technology, it provides crisp documents, colourful graphics, and dependable performance without the hassle of replacing traditional ink cartridges. Whether you are printing school assignments, business documents, or family photos, this compact all-in-one printer offers consistent quality and excellent value. Part Number / SKU: L3310 Printer.

Features:**Designed for Lower Printing Costs**

Replacing cartridges becomes a thing of the past with Epson's refillable EcoTank system. A single set of included ink bottles provides enough ink to print up to:

- Up to 8,300 black pages
- Up to 6,500 colour pages
- Equivalent to approximately 63 traditional ink cartridges
- Savings of up to 95% on printing costs compared to cartridge-based printers

The key-lock bottle design helps ensure each colour is filled into the correct tank, reducing spills and simplifying maintenance.

Compact Design for Everyday Use

Despite its compact footprint, the EcoTank L3310 offers everything needed for daily document handling. Print, copy, and scan from a single device while saving valuable desk space.

Ideal for:

- Home offices
- Students
- Families
- Small businesses
- Everyday document printing
- Borderless photo printing up to 10 x 15 cm

Reliable Print Performance

The Epson Micro Piezo print head delivers sharp black text and vibrant colour output across a wide range of documents and images. Intelligent print quality adjustments help maintain consistent results over time.

Key performance highlights include:

- Print resolution: 5760 x 1440 dpi
- Print speed: Up to 33 ppm monochrome
- Print speed: Up to 15 ppm colour
- 4-colour dye ink system
- Borderless photo printing support

Scanning and Copying Made Easy

The integrated Contact Image Sensor (CIS) scanner provides clear digital copies for documents and images, making everyday scanning and copying straightforward.

Scanner details:

- CIS scanner
- Optical resolution: 600 x 1200 dpi
- Print, scan and copy functionality

Paper Handling and Connectivity

The EcoTank L3310 is designed for simple, efficient paper management while maintaining a compact size.

Paper handling includes:

- 100-sheet standard paper tray
- 30-sheet output tray
- Single paper input tray

ComX Computers
