FD-A8GUC330

Adata UC330 8Gb USB + microUSB Dual-head Flash Drive

Product Overview

Adata UC330 8Gb USB + microUSB Dual-head Flash Drive, ultra-slim with zinc alloy material design, mini-COB (Chip-on-Board) design, 31x17x11mm + 3.6 grams weight compact design, read/write: 18/5 mb/sec (120x)

Specifications

Overview:

As you use the rocket-shaped UC330, its cap fits on either side of its dual-headed USB. When not in use, stand it up on its end for easy storage on your desktop like a rocket awaiting lift-off.

Features:

Dual Head Storage Keeps You Connected
The UC330's On-the-Go microUSB interface connects directly to mobile devices running Android 4.1 or higher, all without the need for a cable or an adaptor. Its standard USB head connects to any desktop or laptop computer's USB port.

Faster & More Convenient Than Wireless
When you need move large amounts of data to or from your phone, like video files or high-resolution images, wireless transfer can take too long. The UC330 eliminates the hassles of slow or patchy connections.

Less Expensive Way to Expand Mobile Device Storage
The UC330 gives plug-and-play functionality to tablets and smartphones without microSD ports at a lower price per GB than the extra built-in storage on a mobile device.

Ultra Small, Ultra Convenient
Its ultra-small and extremely portable design takes up minimal space when used on a desktop computer or mobile device.

On-the-Go Style
An integral strap hole makes it easy to carry your files with you on a lanyard, keychain, or necklace.

Cap-stand
A stylish end cap design allows you to easily pull it out of phones & computers. Its rocket nozzle design lets the UC330 stand on your table for easily access when you need it.
