

FPS09-SCSC-10

Unbranded 10m Fibre Simplex Sc/sc Single Mode (9/125) Lsoh Cable

Product Overview

Unbranded 10m Fibre Simplex Sc/sc Single Mode (9/125) Lsoh Cable. The 10M Single Mode SC-SC Fibre Patch Lead (09/125) offers reliable and high-performance connectivity for various networking applications. With its durable construction and precise manufacturing, it ensures efficient data transmission over extended distances, making it suitable for both commercial and residential installations.

Specifications

Overview Summary

The 10M Single Mode SC-SC Fibre Patch Lead (09/125) is engineered for high-performance data transmission over long distances. Ideal for networking, telecommunications, and data centre applications, this cable ensures minimal signal loss and high bandwidth.

Performance tier:Premium

Uses:Gigabit Ethernet, 10G Ethernet, Fibre-to-the-Home (FTTH), Data Centre Interconnects, Long-Distance Networking

Description

This 10-metre single-mode fibre optic patch lead is designed for high-speed data transmission over long distances. The SC to SC connectors feature an Ultra Physical Contact (UPC) polish, ensuring minimal back reflection and optimal signal integrity. The Low Smoke Zero Halogen (LSZH) jacket enhances safety by reducing toxic emissions in case of fire. Ideal for applications requiring high bandwidth and low latency, such as Gigabit and 10G Ethernet networks, Fibre-to-the-Home (FTTH) deployments, and data centre interconnects.

Features

- High-quality 9/125 micron single-mode fibre for optimal performance.
- SC to SC connectors with UPC polish for reduced back reflection.
- Low Smoke Zero Halogen (LSZH) jacket for enhanced safety in case of fire.
- 100% optically tested for insertion loss and return loss before shipment.
- Yellow jacket for easy identification in installations.

What's in the Box

- 1 x 10M SC-SC Single Mode Fibre Patch Lead (09/125)

Specifications

- Fibre Type: Single Mode OS2 (9/125)
- Connector Type: SC to SC
- Polish Type: UPC (Ultra Physical Contact)
- Jacket Type: LSZH (Low Smoke Zero Halogen)
- Length: 10 metres
- Insertion Loss: Typically
- Return Loss: ≥ 50 dB
- Operating Wavelength: 1310 nm / 1550 nm
- Compliance: TIA/EIA-568-B.3, FOCIS-3
- Manufacturer: Networkx
