Description:

ComX Computers

Product Specification Sheet

The Wondershare Filmora Creative Assets Annual Individual Licence gives you everything needed to enhance your video productions without relying on multiple stock content subscriptions. Access millions of creative resources directly inside Filmora, making it easy to drag and drop high-quality assets into your projects. From cinematic transitions and animated titles to commercial-use music and advanced visual effects, this subscription helps speed up editing while maintaining a polished, professional finish.

With support for both Windows and Mac and weekly content updates, you'll always have fresh creative material available. The licence is delivered digitally and remains active for 12 months, providing continuous access to an expanding collection of editing resources.

Features:

Why Choose Wondershare Filmora Creative Assets

Whether you're producing YouTube videos, social media content, promotional campaigns, online courses, or business presentations, this subscription provides an efficient way to improve production quality while reducing the time spent searching for external media.

Key benefits include:

- Millions of stock media assets available directly inside Filmora
- More than 100,000 royalty-free music tracks for commercial projects while the subscription is active
- Over 50,000 sound effects and visual effects ready for drag-and-drop editing
- More than 30,000 title templates for professional-looking videos
- Over 10,000 transitions to suit different editing styles
- Includes more than 200 Boris FX and NewBlueFX plug-ins
- New creative content added every week
- Compatible with Filmora on both Windows and Mac
- No device limit for Filmora installations under the individual licence
