Specifications

Overview:

The Hisense 222 Litre Capacity Freestanding Fridge and Freezer with Water Dispenser Combination is a great addition to your kitchen and packed with a great capacity your family needs for storing chilled and frozen treats. The combined capacity of 222 litres which is 159 Litre Fridge and 63 Litre Freezer is plenty room stock up on supermarket deals or batch cooking meals to use later on, Plus it has a 2 litre water tank and water dispenser for refreshing cold water. It comes with removable tempered glass shelves, so you can make room for food of all shapes and sizes. To top it off, the shelves are also spill-proof, making light work of cleaning spillages should they occur. You'll also find three door balconies in the fridge, giving you plenty of options for milk, cheese, and condiments. To store your healthy fruit and veg, there's a roomy salad bin and a full-length rack to store up to four bottles of your favourite drinks. The freezer compartment contains three clear drawers, for the convenient organisation of your frozen goods. The net capacity is 63 litres, which is ideal for storing leftovers or your favourite ice cream as well as fish and meat. What's more, reversible door hinges on this appliance mean the door can be adjusted to opened on whichever side you prefer.
