Specifications

About this product

The**Hisense HHU60GAGR 60cm Stainless Steel Gas Hob**offers four high performance burners with intuitive front knob control, reliable auto ignition and robust cast iron pan supports on a sleek stainless steel surface, ensuring efficient and safe cooking for everyday kitchen use.

Overview Summary

Hisense HHU60GAGR 60cm Stainless Steel Gas Hobis a built-in kitchen appliance designed for consistent and precise gas cooking. Featuring four gas burners with varied heat outputs, ergonomic front control knobs and an auto ignition function, this hob gives you easy flame control and efficient performance for a wide range of recipes. The stainless steel surface is durable and easy to clean, while the cast iron pan stands provide stable support for your cookware. Flame failure technology enhances safety by cutting gas supply if the flame is extinguished, helping protect your kitchen and family.

This 60cm built-in gas hob fits most standard kitchen cut-outs, making it an ideal choice for everyday cooking tasks from boiling and frying to simmering and stir-frying. The thoughtful design balances performance with durability, offering reliable heat distribution across all four burners. Whether you are preparing meals for family dinners or casual weekday cooking, this hob delivers smooth heat control and dependable operation.

Performance tier: Mid-range home kitchen
Uses: Everyday cooking, sautéing, simmering, frying, boiling

Overview

Hisense's 60cm stainless steel 4-plate gas hob delivers reliable performance for home kitchens. Front knobs and auto-ignition simplify operation, while flame failure technology enhances safety. Cast iron pan stands ensure stable cooking on durable stainless surfaces.

Description

The**Hisense HHU60GAGR 60cm Gas Hob**features a robust stainless steel cooktop that resists stains and cleans easily after use, making maintenance simple. With four burners including a wok style and semi-rapid outputs, you can cook multiple dishes simultaneously with precise flame control. The front-mounted control knobs enable ergonomic operation and smooth flame adjustments. Built for safety, the hob includes flame failure technology that cuts off gas supply if a flame goes out, adding peace of mind to everyday cooking. Cast iron pan supports provide a stable base for pots and pans, ensuring secure cooking even with heavier cookware. Designed to integrate seamlessly into your countertop, this hob combines performance, safety and a modern aesthetic.

Features

The Hisense HHU60GAGR Gas Hob delivers features that enhance usability, safety and kitchen performance:

- Four Gas Burners: Allows versatile cooking for multiple dishes at once.
- Auto Ignition Function: Instant spark ignition without matches or lighters.
- Flame Failure Technology: Safety feature that stops gas flow if flame is extinguished.
- Stainless Steel Surface: Durable and easy to clean for everyday use.
- Ergonomic Knob Controls: Front controls for intuitive heat adjustment
- Cast Iron Pan Supports: Strong and stable support for heavy cookware.

Packing Dimension (WxDxH)	640 x 555 x 145mm
Net Weight	7.1kg
Gross Weight	7.90kg
Power Supply	
Voltage	220-240V
Frequency	50Hz
Total Rated Power (W)	8060W

FAQ

What type of gas does this hob use?

The Hisense HHU60GAGR is designed to operate with LPG and can be converted for use with natural gas by a qualified installer for safe operation.

Is flame failure technology important?

Yes, flame failure technology enhances kitchen safety by automatically cutting off the gas supply if the flame is extinguished, reducing risk of gas leaks.

How do I clean the hob surface?

After the hob has cooled, use a soft cloth and mild cleaner to wipe the stainless steel surface, and remove removable pan supports for thorough cleaning.

Can this hob fit standard kitchen cut-outs?

Yes, the 60cm built-in design fits most standard kitchen countertop cut-outs with the specified dimensions

Does it come with installation accessories?

Yes, the hob includes installation accessories and manual to help with fitting into your kitchen space.
