Product Overview

Hisense LEDN85Q7Q 85" QLED 144hz 4k Smart TV 144Hz VRR Game Mode PRO; QLED Colour; Dolby Vision.Atmos; AI Picture; AI Smooth Motion *TV license required*

Specifications

Overview summary:

Experience next-level entertainment with the **Hisense 85Q7Q 85-inch QLED 4K Smart Gaming TV**, designed for ultra-smooth gameplay and stunning picture quality. Featuring a blazing 144Hz refresh rate and Variable Refresh Rate (VRR) technology, this TV delivers fluid motion and reduces screen tearing, ideal for serious gamers.

Enjoy vibrant and precise colors with advanced **Quantum Dot (QLED) technology**, alongside cinematic visuals enhanced by **Dolby Vision** for superior brightness and contrast. The immersive **Dolby Atmos** audio system creates a three-dimensional soundscape, putting you right in the heart of the action.

Hisense's **Smooth Motion** technology ensures blur-free fast-paced scenes, while **Filmmaker Mode** preserves the original look and feel of movies, delivering true-to-director cinematic experiences. **Game Mode Pro** further enhances gameplay with ultra-low input lag and optimized settings, giving gamers the edge they need.

Features:

- 144Hz Game Mode PRO
- Variable Refresh Rate
- QLED Colour
- Dolby Vision Atmos
- AI Picture
- AI Smooth Motion
- AMD FreeSync Premium
- Game Bar

Dolby Atmos

Immerse yourself in sound like never before with Dolby Atmos. This audio technology creates a 3D sound space, making you feel like you're in the middle of the action. Every whisper, explosion, and musical note comes to life with incredible clarity.

ComX Computers

Product Specification Sheet

Dolby Vision

Dolby Vision takes Hisense 85Q7Q | 85'' LED 144Hz VRR QLED Gaming TV's viewing experience to a new level with superior brightness, contrast, and color. It's the same technology used by filmmakers, bringing a stunning, dynamic picture that's closer to the director's original vision.

QLED

QLED (Quantum Dot LED) technology uses Quantum Dots to produce brighter and more accurate colors. With deeper blacks and vibrant hues, QLED TVs offer a superior viewing experience with enhanced color reproduction and brightness.

Smooth motion

Hisense's Smooth Motion technology ensures that fast-moving action is fluid and crisp, without the blur. Perfect for sports, action movies, and gaming, this feature keeps up with every beat, delivering a seamless viewing experience.

Filmmaker Mode

Filmmaker Mode preserves the original look and feel of movies as intended by the director. With accurate colors, aspect ratios, and frame rates, you'll experience films just as they were meant to be seen.

144Hz Game Mode Pro

Game Mode Pro is designed for serious gamers, providing the best possible performance with ultra-low input lag, optimised refresh rates, and enhanced picture settings. It delivers a competitive edge and an immersive gaming experience.
