Overview:

UGREEN HiTune Max 5C Hybrid ANC Headphones: Premium Noise-Cancelling Audio

The UGREEN HiTune Max 5C Hybrid ANC Headphones offer an elevated listening experience, combining high-resolution sound, advanced noise cancellation, and long-lasting battery life. Whether you're a commuter, student, or traveler, these over-ear headphones are designed to deliver exceptional audio and performance in any environment.

Product Highlights

- LDAC Decoding Supportfor crystal-clear, high-resolution audio playback.
- Hybrid Active Noise Cancellationreduces external noise by up to 43dB, providing focused listening.
- Five-Microphone Systemfor clear, undisturbed calls.

- Impressive Battery Lifewith up to 75 hours of continuous playback.
- Quick USB-C Chargingdelivers 5 hours of use from just 5 minutes of charging.

Features:

Immersive Sound Experience

The HiTune Max 5C headphones are built to offer a superior listening experience. With advanced LDAC decoding and support for Hi-Res Audio, these headphones ensure that every sound is delivered with precision. Whether you're enjoying music, podcasts, or audiobooks, the 40mm audio drivers provide clear treble, deep bass, and a balanced mid-range, giving you a theater-like experience from the comfort of your own space.

Advanced Noise Cancellation for Focused Listening

Designed to help you block out distractions, the UGREEN HiTune Max 5C features hybrid active noise cancellation that reduces external noise by up to 43dB. This adaptive system automatically adjusts the cancellation level based on your environment, allowing you to select from light, medium, or strong noise isolation. Whether you're navigating a busy city, working in a noisy office, or flying across the globe, these noise-canceling headphones help you maintain focus.

Endurance and Rapid Power for Long Listening Sessions

The UGREEN HiTune Max 5C headphones are designed for extended use. With up to 75 hours of playback in standard mode and 45 hours in ANC mode, they offer remarkable battery life that can easily keep up with your busy lifestyle. When it's time to recharge, the USB-C fast-charging capability allows you to get 5 hours of playtime with just a 5-minute charge. A full charge only takes 90 minutes, making them perfect for those on the go.

Clear Communication with Five-Microphone System

Stay connected and communicate clearly, even in noisy environments, with the 5-microphone system. The HiTune Max 5C incorporates dedicated call noise cancellation, ensuring that your voice comes through loud and clear during conversations, whether you're on a call with family, friends, or colleagues.
