Specifications

Overview Summary:

The UGreen HiTune Max 5C Hybrid ANC Headphones provide an exceptional audio experience with cutting-edge noise cancellation, making them perfect for anyone who values clarity in sound. Featuring Bluetooth 5.4, Hi-Res Audio support, and up to 43dB noise reduction, they ensure immersive music listening, smooth calls, and productivity in noisy environments. With a robust 75-hour battery life in standard mode and quick Type-C fast charging, these headphones are built to keep up with your busy day. Buy now for premium sound and quiet wherever you are.

Performance tier: High-Performance Audio and Noise Cancellation

Uses: Music listening, virtual meetings, commuting, studying, office work

Overview:**Experience Unmatched Audio Clarity with Hybrid Active Noise Cancellation**

For those who value deep immersion in their music, calls, and content, the UGreen HiTune Max 5C Hybrid ANC Headphones offer an unparalleled listening experience. Whether you're on the move, working in a noisy office, or simply relaxing at home, these headphones deliver superior sound and silence, helping you focus when you need it most.

Description:

The UGreen HiTune Max 5C Hybrid ANC Headphones combine cutting-edge noise cancellation technology with high-resolution audio quality. Powered by Bluetooth 5.4, these headphones allow you to seamlessly connect to your devices while enjoying clear, crisp sound and stable connectivity. With hybrid ANC reducing ambient noise by up to 43dB, a robust microphone array for high-quality calls, and long-lasting battery life, these headphones are designed for the professional, the audiophile, and anyone who needs peace and productivity. Whether you're commuting, studying, or at work, the HiTune Max 5C ensures that you can focus and enjoy your media without interruption.

Features:**Key Highlights**

- Hybrid Active Noise Cancellation: Effortlessly block out distracting sounds with up to 43dB of noise reduction, creating a calm and quiet space for work or play.
- Crystal-Clear Audio: High-fidelity 40mm audio drivers deliver rich, detailed sound, perfect for everything from music to podcasts to virtual meetings.
- Enhanced Call Clarity: Five microphones work together to ensure your voice comes through clearly, even in noisy environments.
- Long Battery Life: Enjoy up to 75 hours of playback in standard mode, or 45 hours with ANC activated. Plus, a quick 5-minute charge provides an additional 5 hours of use.
- Convenient Connectivity: Bluetooth 5.4 ensures a stable, low-latency connection, while a wired mode allows for Hi-Res audio performance when needed.
- Type-C Fast Charging: Spend less time waiting and more time listening with fast charging capabilities, fully recharging the headphones in just 90 minutes.

Who Should Choose UGreen HiTune Max 5C

The UGreen HiTune Max 5C headphones are ideal for anyone who demands exceptional sound quality and quiet, focused environments. Whether you're a student, professional, or audiophile, these headphones cater to your need for high-performance audio and seamless connectivity. They're perfect for use in loud or busy places, such as offices, cafes, and public transportation, as well as for home use where concentration is key.

How These Headphones Solve Everyday Problems

In today's world, noise is an ever-present challenge. Whether it's the hum of city traffic, the chatter in an office, or background noise during video calls, distractions are everywhere. The UGreen HiTune Max 5C's hybrid ANC technology targets these distractions, actively neutralizing unwanted sound so you can focus on what's important. Whether you're in a meeting or listening to your favorite music, the headphones create a peaceful auditory space, letting you fully engage in your environment without external interruptions.

Why You'll Love the UGreen HiTune Max 5C

These headphones combine top-tier noise cancellation with high-resolution audio, ensuring that every note, voice, and sound detail is crystal clear. You'll enjoy studio-grade sound quality without sacrificing the peace and quiet you need for clear communication or focused work. Whether you're using them to listen to music, attend calls, or relax during your commute, the UGreen HiTune Max 5C offers a balanced blend of comfort, performance, and reliability.

Durable and Built for Daily Use

Crafted to endure, the UGreen HiTune Max 5C headphones are designed with everyday use in mind. From their sturdy build to

their reliable battery life, these headphones will keep up with your busy lifestyle. The Type-C fast-charging feature ensures minimal downtime, and the wired mode offers high-res audio when you need it. UGreen's commitment to quality ensures that these headphones will remain a trusted companion for years to come.

Why Buy UGreen HiTune Max 5C Headphones Today

In a market flooded with noise-cancelling headphones that promise much but deliver little, the UGreen HiTune Max 5C stands out for its verified performance. With its hybrid ANC technology, exceptional sound quality, and advanced Bluetooth connectivity, it offers everything you need to truly block out distractions and immerse yourself in the moment. If you're ready for a headphone upgrade that delivers on all fronts-sound, connectivity, and comfort-these are the headphones for you.
