HAVN H18 180mm Black fan

Product Overview

HAVN H18 180mm Black fan, Ultra-Thick 40mm Frame, 164.63cfm Airflow, Premium FDB loopin cable system, Regular Airflow direction, PWM Connector

Specifications

Overview Summary:

The HAVN H18 180mm Black PWM fan is built for users who want strong, consistent airflow to keep their PC running cool and stable. With a large 180mm diameter and an ultra-thick 40mm frame, it moves a high volume of air efficiently while maintaining reliable operation for everyday and performance-focused systems.

Designed for clean, no-nonsense cooling, this fan features a PWM connector for precise speed control and a premium fluid dynamic bearing for smooth, long-term use. It's a solid choice for upgrading airflow in compatible PC cases. Buy now and improve your system's cooling performance today.

Performance tier:High airflow

Uses:PC case cooling, gaming PC airflow improvement, workstation ventilation, system thermal management

Overview:

The HAVN H18 180mm black fan is built for users who want serious airflow with dependable control. Its ultra-thick 40mm frame is designed to move a high volume of air efficiently, making it well suited for high-performance PC builds that need strong and consistent cooling. With a clean black finish and a regular airflow direction, it integrates easily into a wide range of cases and setups while focusing on cooling where it matters most.

Description:

The HAVN H18 180mm fan delivers powerful airflow in a durable 40mm-thick frame, helping reduce system temperatures under heavy loads. With PWM support for precise speed control and a premium fluid dynamic bearing loop-in cable system, it offers smooth operation, reliable performance, and easy integration into modern PC cooling setups.

Features:

Cooling performance

- 164.63 CFM airflow for effective heat dissipation
- Regular airflow direction for standard case layouts

Build and design

- Large 180 mm fan diameter for improved air movement
- Ultra-thick 40 mm frame for stability and efficiency
- Minimalist black color with no lighting

Control and compatibility

- PWM connector for automatic speed adjustment
- Compatible with most modern motherboards
- Premium FDB loop-in cable system for smooth operation

Product details

- Model: HVN-FS-H1840-02
- Fan size: 180 mm
- Quantity in box: 1 fan
- Fan controller included: No
