Specifications

About this product

The Microworld INTUSB4 4 Port USB 2 Front Panel provides four USB 2.0 ports in a convenient front panel design, making USB connectivity more accessible on a compatible desktop computer. With four USB 2.0 ports, it is a practical choice for users who need additional front-access USB connections. Buy now from our website for a convenient desktop USB expansion solution.

Overview Summary

Microworld INTUSB4 4 Port USB 2 Front Panel is a four-port USB 2.0 front panel designed to provide convenient access to USB connectivity on a compatible desktop computer.

The four USB 2.0 ports provide a practical way to connect compatible USB peripherals from the front of the computer. This can be useful for everyday desktop connectivity where convenient access to multiple USB ports is required.

Performance tier: Entry-level USB 2.0 connectivity

Uses:desktop USB connectivity, peripheral connection, front-access USB expansion, everyday computer accessories

Description

The Microworld INTUSB4 is a 4 Port USB 2 Front Panel designed to provide convenient access to USB connectivity from the front of a compatible desktop computer. Its four USB 2.0 ports allow users to connect multiple compatible USB peripherals without relying solely on less accessible rear connections.

USB 2.0 connectivity is suitable for a range of everyday USB peripherals and accessories. The four-port configuration provides multiple connection points in a single front panel solution, making it useful for desktop environments where accessible USB ports are required.

The INTUSB4 is identified by product code INTUSB4 and is specified as a USB front panel with four USB 2.0 ports. It is suited to straightforward desktop USB connectivity where USB 2.0 support is appropriate.

Features

The Microworld INTUSB4 combines four USB 2.0 ports in a front panel format for convenient desktop connectivity.

- Four USB 2.0 ports
- Front panel USB connectivity
- Provides access to multiple USB peripherals
- Designed for compatible desktop computer systems
- Product code INTUSB4
