About this product

The Logitech G213 Prodigy Gaming Keyboard delivers gaming-grade performance with responsive Mech-Dome keys, customizable 16.8 million colour RGB lighting across 5 lighting zones, dedicated media controls, and an integrated palm rest for lasting comfort. Its spill-resistant design and durable construction make it ideal for everyday gaming and productivity. Buy now from our website for quick delivery in South Africa.

Overview Summary

Logitech G213 Prodigy RGB Gaming Keyboard

The Logitech G213 Prodigy is a full-size USB gaming keyboard designed to provide responsive performance with Logitech's Mech-Dome key technology. The full-height keys deliver a 4 mm travel distance with a 50 g actuation force, providing a tactile feel similar to mechanical keyboards while maintaining quiet operation. Five customizable RGB lighting zones support approximately 16.8 million colours and can be configured using Logitech G HUB software.

Built for long gaming sessions, the keyboard features an integrated palm rest, adjustable tilt feet, dedicated media controls, and a spill-resistant design tested against up to 60 ml of liquid. Its durable construction makes it suitable for gaming, office work, content creation, and everyday computing.

Performance tier: Mid-range gaming

Uses:PC gaming, esports, office work, content creation, multimedia control, everyday computing

Overview

Durable with gamer-tuned performance built to support even the most hardcore extended sessions. The G213 Prodigy gaming keyboard's Tactile Mech-Dome keyswitches are spill-resistant. Customizable LIGHTSYNC RGB lighting. Integrated palm rest and adjustable feet. Dedicated media controls.

Description

The Logitech G213 Prodigy is engineered for users who want dependable gaming performance with the familiar feel of full-height keys. Logitech's Mech-Dome key technology combines responsive tactile feedback with quiet operation, making the keyboard suitable for competitive gaming as well as everyday typing. The durable membrane construction is designed for daily use while offering protection against accidental spills.

Five independently configurable RGB lighting zones allow users to personalise the keyboard with approximately 16.8 million colours and multiple lighting effects through Logitech G HUB software. Dedicated media controls provide quick access to playback, mute, volume adjustment, and track selection without interrupting gameplay or work.

An integrated palm rest and adjustable feet improve comfort during extended gaming or typing sessions. With USB connectivity, full-size layout, numeric keypad, and durable construction, the G213 Prodigy is suitable for gaming PCs, home offices, and professional workstations.

Features

The Logitech G213 combines gaming performance with everyday comfort and reliability.

- Gaming-grade Mech-Dome keys with tactile response.
- Full-height keys with 4 mm key travel.
- 50 g actuation force.
- Approximately 16.8 million RGB colours.

- Integrated palm rest for improved comfort.
- Adjustable keyboard angle.
- Spill-resistant design tested to 60 ml.
- Full-size layout with numeric keypad.
- USB wired connection.
- Quiet key operation.
- Suitable for gaming, work and multimedia use.

Gaming Grade Performance
The Logitech G213 Prodigy gaming keyboard features Logitech G Mech-Dome keys that are specially tuned to deliver a superior tactile response and overall performance profile similar to a mechanical keyboard. Mech-Dome keys are full height and deliver a full 4mm travel distance, 50g actuation force, and whisper-quiet sound.

CUSTOMIZABLE LIGHTSYNC RGB
The G213 Prodigy features five individual lighting zones, each customizable from a palette of approximately 16.8 million colors and different brightness levels to match your style, system, or space. LIGHTSYNC technology provides next-gen RGB lighting that synchronizes lighting and game profiles with your content for maximum style points. Customize it all quickly and easily using Logitech G HUB.

SPILL-RESISTANT AND DURABLE
The Logitech G213 Prodigy membrane and keyframe construction design is built for real life, delivering spill resistance tested to 60 ml liquid rating. The result is a keyboard built to contend with the realities of everyday gaming. No need to leave that can of soda on the ground between sips.

INTEGRATED PALM REST & ADJUSTABLE FEET FOR COMFORT
Two-level angle adjustments let you set your keyboard so it feels just right for your battle station, while the integrated palm rest relieves discomfort or fatigue, so you can keep playing comfortably round after round.

TAKE COMMAND WITH DEDICATED MEDIA CONTROLS
The G213 features dedicated media controls that can be used to play, pause, and mute music and videos instantly. Adjust the volume, or skip the slow song (which, come to think of it, really shouldn't be on your hype playlist) with a touch of a button.

What's in the Box

- 1 x Logitech G213 Prodigy Gaming Keyboard
- 1 x User documentation
