Specifications

Overview:

Discover True Detail

- Ultra-enhanced, super-advanced picture quality
- Designed to evolve for tomorrow's viewing
- Sleek and streamlined Slim Metal Design
- The most advanced way to control your Smart TV

Features:

Get ready for a new viewing experience. With the latest technology and sleek, modern and minimalist design, Samsung has perfected the UHD TV for your home. Stunning picture quality brings out all the incredible detail that was hidden before. Entertainment is more immersive and enjoyable than ever with Samsung own Smart TV features that enhance it as much as possible. Thanks to Smart Evolution, you can even enjoy the best and latest UHD picture quality available without buying another TV.

Ultra-enhanced, super-advanced picture quality

- Ultra HD viewing means you can see every intricate detail on the screen clearer than ever.
- Your new Samsung UHD TV offers a resolution four times higher than Full HD, which used to be the highest standard available.
- This great picture quality is made even better by innovative
- Samsung technologies like Micro Dimming Ultimate and Precision Black.
- The upscaling feature also lets you enjoy existing Full HD entertainment in new, stunning Ultra HD quality.

Designed to evolve for tomorrow viewing

Samsung Smart Evolution means you can give your TV all the latest features and better performance without having to buy a new TV. Just add an easy-to-install Evolution Kit. It also allows you to keep up with rising standards of UHD TV viewing. So, not only can you enjoy the best Ultra High-Definition picture quality when you buy your Samsung UHD TV, but you will be able to watch upcoming UHD content with the best possible picture quality in future.

Sleek and streamlined Slim Metal Design

You will be proud to bring the new Samsung UHD TV into your home. It has a stunning appearance, with Slim Metal Design with a narrow bezel, real metal stand and metallic edge finish. The ultra-streamlined modern aesthetic includes One Connect, meaning connectivity cables are tidily collected in a separate box rather than trailing from the TV itself. This Clean Back gives your UHD TV a great look, as well as reducing cable clutter. You can still access all the connections you need, including HDMI, USB and LAN. Its minimal design with more style and convenience.

The most advanced way to control your Smart TV

With a revolutionary voice command recognition system and intuitive motion sensing, the Samsung Smart TV engages you in a futuristic and effortless entertainment experience. So when you want to relax, and you can find the remote, all you need to say is i TV or wave your hand and the F9000 will let you perform a variety of commands like change the channel and raise or lower the volume.

The gateway to a revolutionary entertainment experience

- Get in right where the action is. Samsung Smart Hub creates the best environment for top notch entertainment.
- With immediate access to apps, videos and music, you will never feel lonely.
- Enjoy great apps from your Samsung Smart TV.
- Stay in the centre of your social circle with Smart Hub social page and see your friends favourite video clips through Facebook and Twitter. And even access photos, videos and clips on all compatible devices like a PC or a camera.
