Specifications

Features:

Extremely Realistic Contrast

See extreme contrast between the darkest darks and lightest lights, plus expanded color and depth.

Extreme Step Up in Color with Premium UHD

With 4K Color Drive Extreme, you'll see an extreme step up in color with a billion more shades than regular 4K UHD, making every scene even more lifelike.

Bask in the Black

Triple Black lets you see what you've been missing, even in dark scenes.

Incredible Fluid Motion

Enjoy smooth, crisp action even in the fastest scenes. Motion Rate 240 brings sports and fast moving content to life.

Clutter Free

The Samsung Clean Cable Solution™ eliminates clutter by neatly routing cords through the base of the TV stand.

One Remote Replaces the Many

OneRemote automatically detects and controls all your connected devices and content with no manual programming required*.

It's All Connected

Connects your components to one separate box and not to the back of the TV so you can see more of what you want to and
