Performance tier: Entry-level

Uses: Office work, home computing, general navigation, internet browsing, document editing

Overview:

Logitech M100 Corded USB Mouse - Reliable, Comfortable, and Easy to Use

The Logitech M100 corded USB mouse is designed for users who want a simple, dependable solution for everyday computing. Its full-size, ambidextrous design ensures comfort for both left- and right-handed users, while the plug-and-play functionality gets you started instantly. With smooth optical tracking and precise line-by-line scrolling, the M100 is perfect for work, study, or home use. Compatible across Windows, macOS, Linux, and Chromebooks, it delivers a hassle-free experience with wide-ranging device support.

Description:

The Logitech M100 is a straightforward, durable mouse that combines comfort and reliability. Its full-size, ambidextrous shape supports extended use for both hands. Equipped with optical tracking at 1000 dpi, it provides precise cursor control for a variety of tasks. The three-button design includes a scroll wheel for accurate navigation. This USB plug-and-play mouse is compatible with Windows, macOS, Linux, and Chromebooks, making it a versatile addition to any setup. Its 180 cm cord ensures ample reach, and the lightweight build makes it easy to use all day.

Features:

Comfortable Design for Any User

The full-size M100 is crafted to fit both left- and right-handed users comfortably. Its ambidextrous shape allows for natural hand positioning, reducing strain during long periods of use. The mouse is lightweight and easy to maneuver, making it ideal for office tasks, browsing, or schoolwork.

Plug-and-Play Simplicity

Setting up the M100 is effortless. Simply connect the USB cable to an available port, and the mouse is ready to operate without any additional software or configuration. This hassle-free setup ensures a smooth start for all users.

Smooth Navigation and Reliable Performance

Equipped with optical tracking and line-by-line scrolling, the M100 offers precise control for everyday computing. The three-button layout, including a middle scroll wheel, makes navigating documents, spreadsheets, and web pages effortless.

Compatibility Across Multiple Platforms

The M100 works seamlessly with a wide range of operating systems, including Windows 10 and 11, macOS 10.5 or later, Linux kernel 2.6+, and Chromebooks. Certified "Works With Chromebook," it meets Google's compatibility standards, ensuring reliable operation across devices.

Durability and Trusted Quality

Built with Logitech's long-standing design expertise, the M100 offers dependable performance and longevity. It combines practical design with proven reliability, making it a trusted choice for users worldwide.
