Logitech Pebble Mouse 2 M350S - Tonal Graphite - Bluetooth, 3 buttons, Customizable Button, High-Precision Optical Tracking Sensor Technology, 400-4000 dpi range, 1000 DPI nominal Value, 1 AA Battery, 910-007015

Specifications

Summary Overview:

The Logitech Pebble Mouse 2 M350S is a stylish and compact Bluetooth mouse perfect for users in South Africa seeking a quiet, efficient, and eco-friendly accessory. Its slim design and silent touch technology ensure comfortable use without distractions, while the customizable button enhances productivity. With easy multi-device switching and compatibility across major operating systems, this mouse is ideal for on-the-go work or home use. Buy now to enjoy a reliable, modern mouse that blends sustainability with smart features.

Performance tier: Mid-range

Uses: Office work, remote work, multitasking, casual computing, travel

Overview:

Overview of the Pebble Mouse 2 M350S

The Logitech Pebble Mouse 2 M350S is a slim, compact Bluetooth mouse designed for both style and functionality. It features a minimalist look with smooth curves and a customizable button, perfect for users who want a versatile yet elegant accessory for their workspace.

Unique Design and Sustainable Materials

This mouse breaks away from the ordinary with its modern, rounded shape and a palette of vibrant colors. Beyond aesthetics, the Pebble Mouse 2 is crafted using over 50% recycled plastic, contributing to a more sustainable future. The Tonal Graphite model contains at least 58% recycled plastic, excluding internal components and packaging, making it a responsible choice without compromising on style.

Portability and Convenience for On-the-Go Use

Lightweight and compact, this mouse easily fits into your bag, so you can take it anywhere. Whether working at a cafe, office, or home, the Pebble Mouse 2 is ready to keep up with your busy lifestyle.

Seamless Multi-Device Switching

Switch effortlessly between up to three devices using the Easy-Switch button. It's compatible with a wide range of operating systems, including Windows 10 and 11, macOS 11 or later, iPadOS 14 or later, Android 9.0+, Chrome OS, and Linux. This makes it ideal for users who juggle multiple gadgets throughout their day.

Quiet Clicking with Silent Touch Technology

Focus better with reduced noise thanks to Silent Touch Technology, which cuts click sounds by over 90% compared to previous Logitech models. Enjoy a peaceful environment whether you're working in a library, shared office, or late-night home setup.

Customizable Button for Enhanced Productivity

Personalize the middle button through the Logi Options+ app (available for Windows and macOS) to streamline your tasks. Assign functions like sending emojis in messaging apps or controlling your music playlist for a tailored experience that fits your workflow.

Features:
