With 6W peak power and dual 3.5mm input jacks, they deliver versatile and high-quality audio for any device, from computers to smartphones. The user-friendly controls and headphone jack enhance convenience for private listening. Ideal for enhancing your workspace, these speakers combine function and space-saving design. Buy now and experience premium sound without the bulk.

Performance tier: Entry-level multimedia speakers

Uses: Desktop audio, music listening, gaming, video streaming, home office setup

Overview:

Logitech Z150 Multimedia Speakers - Compact Stereo Sound for Small Spaces
These Logitech Z150 Multimedia Speakers are designed to offer clear, stereo sound in a compact package, making them perfect for smaller spaces. The user-friendly layout and easy-to-access controls ensure a hassle-free listening experience, whether you're working, gaming, or enjoying music.

Description:

The Logitech Z150 speakers deliver crystal-clear audio with a dual 2" driver setup, providing 6 watts of peak power (3 watts RMS). With an integrated volume control and a convenient headphone jack, these speakers are both practical and versatile. They also feature dual 3.5mm input jacks, allowing you to connect multiple devices simultaneously. The compact design is ideal for smaller desks or areas where space is limited.

Features:

Crystal-Clear Stereo Sound in a Compact Design
The Z150 speakers deliver high-quality stereo sound, perfect for listening to music, watching videos, or gaming. With a peak power of 6 watts (3 watts RMS), the dual 2" drivers ensure your audio is clear, crisp, and immersive, despite the speakers' small size.

Convenient and Accessible Headphone Jack
For those times when you prefer private listening, the Z150 speakers feature an easily accessible headphone jack on the front of the right speaker. Simply plug in your headphones to enjoy your content without disturbing others.

Effortless Control at Your Fingertips
Access all the essential controls, including power, volume, and auxiliary input, on the right speaker for a simple and intuitive experience. Whether you need to adjust the volume or connect a new device, everything is within easy reach.

Dual 3.5mm Input Jacks for Multi-Device Connectivity
The Z150 speakers come equipped with two 3.5mm input jacks, allowing you to connect multiple devices at once. Whether it's your computer, smartphone, or tablet, switching between devices is quick and seamless.

Compact and Space-Saving Design
Designed for smaller spaces, the Logitech Z150 speakers offer high-quality audio in a compact form factor. Their sleek design fits easily on desks, shelves, or in any area where space is at a premium.

Key Benefits

- Enjoy clear, balanced stereo sound with 6W peak power
- Easy-to-use volume and power controls right at your fingertips
- Headphone jack for private listening whenever needed
- Dual 3.5mm inputs for connecting multiple devices at once
- Compact design ideal for small spaces without sacrificing audio quality

With the Logitech Z150 speakers, you don't have to compromise on sound quality or functionality. Whether you're in need of a compact audio solution or simply want to enhance your workspace, these speakers deliver on both fronts.
