Overview:

Comfortable, compact, and easy to use, the Wireless Mouse M185 enables you to work anywhere.

Features:

Comfortable shape, compact design
Stay productive for longer with the Logitech M185's comfortable, contoured shape that fits naturally in your hand. Its compact, wireless design is ideal for on-the-go work, fitting easily alongside your laptop in any bag. Whether you are left- or right-handed, M185 offers equal comfort and convenience.

Easy navigation, precise control
Enjoy smooth, line-by-line scrolling and accurate cursor control with the optical sensor. M185 works on most surfaces, eliminating missed clicks and improving everyday productivity.

Quality you can rely on
Built to Logitech's renowned standards, M185 offers lasting durability. With an impressive 12-month battery life, on/off switch, and auto-sleep mode, you can rely on this mouse without constantly replacing batteries.

Plug and play simplicity
Compatible with Windows, macOS, Chrome OS and Linux, M185 works instantly. Simply plug in the USB nano receiver and enjoy a strong, stable connection within a range of up to 10 meters-no software or setup required.

Complete tasks faster
Boost your productivity by using M185 instead of a touchpad. Studies show users complete tasks 50 percent more efficiently and 30 percent faster when switching to a wireless mouse like the M185.

Decades of design excellence
With over 25 years of mouse innovation, Logitech designs mice that offer both performance and comfort. The M185 is crafted to suit both left- and right-handed users, so you can find your perfect fit easily.

Built for real life. Made for a lighter footprint.
Logitech designs durable, everyday devices while embracing sustainability. Every stage of the M185's development reflects an ongoing commitment to responsible design and real-world resilience.
