About this product

Buy the Hyperkin M07731 Essential Kit for PlayStation Portal to protect, enhance, and travel with your PS Portal in South Africa from this online store and enjoy all-in-one device safety and comfort. This premium accessory bundle includes a protective shell, tempered glass screen protectors, thumb grips, and a durable hardshell carry case designed to safeguard your PlayStation Portal from scratches, drops, and everyday wear while improving grip and control for longer gaming sessions.

Overview Summary

The Hyperkin Essential Kit for PlayStation Portal (Model M07731) is a complete protection and travel accessory bundle designed specifically for Sony's PlayStation Portal remote gaming device. It provides all-round safeguarding and usability enhancements in a single package, making it ideal for gamers who want reliable protection and improved handling.

This kit includes a snap-on hard shell case that protects the device without obstructing its design, two tempered glass screen protectors for scratch and smudge resistance, ergonomic thumb grips for better in-game control, and a rugged hardshell carry case for safe transport. Each component is designed to extend the lifespan of the device while improving comfort during gameplay.

Perfect for daily use and travel, the kit ensures your PlayStation Portal remains protected against accidental drops, surface damage, and handling wear. It is designed for users who frequently carry their device or want enhanced durability during long gaming sessions.

Performance tier:Premium accessory protection kit

Uses:device protection, travel storage, screen protection, gaming grip enhancement, portable gaming safety

Description

The Hyperkin M07731 Essential Kit is designed for PlayStation Portal owners who want a complete protection and travel solution in one package. It combines durable materials and practical accessories to keep your device safe while maintaining full usability and comfort during gameplay.

The snap-on protective shell shields the device from scratches and minor impacts while preserving its original design. The included tempered glass protectors offer high transparency and resistance against scratches and smudges, ensuring a clear display experience. Thumb grips improve precision and comfort during extended gaming sessions, reducing thumb fatigue and enhancing control.

The included hardshell carry case provides structured storage with internal padding, making it ideal for travel or storage. Overall, this kit enhances both protection and usability, making it a practical addition for any PlayStation Portal user.
