Pack Contents

- Verbatim Metal Mini SSD
- Nero Backup Software (not compatible with Mac OS)
- Hybrid USB-C to USB-C with USB-A adapter cable
- Quick Start Guide

Features:

Fast. Compact. Reliable.

The Verbatim Metal Mini SSD is the ideal portable storage solution for professionals on the go. With its ultra-fast read speeds of up to 2000MB/s and write speeds of up to 1750MB/s, you can transfer large files in seconds, making it perfect for handling high-resolution photos, videos, and other data-heavy tasks.

Equipped with a USB-C 3.2 Gen 2x2 connection, the Metal Mini SSD delivers high-speed data transfer across a variety of devices. Whether you're using the latest USB-C or a more traditional USB-A port, the included USB-C to USB-C cable with a USB-A adapter ensures maximum compatibility.

Elegant, Robust Design

Crafted from durable metal, the Metal Mini SSD is not only sleek and stylish but also built to withstand the rigours of everyday use. Its compact form factor (just 78mm x 46mm x 9mm) makes it easy to slip into your pocket or bag, ensuring you always have your essential files at hand.

Versatile

Being compatible with both Windows and Mac OS, the Metal Mini SSD provides an adaptable solution for all users

Nero Backup software

For added security, Nero Backup software is provided to help you back up all your files, folders, and drives from your laptop or PC whenever you want. It also allows you to schedule an auto back up to a set time and day to ensure that it gets done regularly! Nero Backup Software is only compatible with Windows OS.

*Actual transfer speeds depend on file size, computer performance and operating system.
