Verbatim Alkaline AAA Battery 4 Pack x 10 packs

Product Overview

Verbatim 49920 Alkaline AAA Battery 4 Pack x 10 packs (40 batteries); 1.5V; AAA size; alkaline chemistry; single use; household electronics; remotes toys clocks wireless devices; lightweight storage ready

Specifications

About this product

The Verbatim 49920 AAA Alkaline Battery 40 Pack delivers reliable 1.5V long-lasting power for everyday electronic devices such as remotes, toys, clocks, and wireless accessories. Buy now from our online store and enjoy dependable energy performance designed for home and office use in South Africa.

Overview Summary

Verbatim 49920 AAA Alkaline Battery 40 Pack is a bulk power solution designed to keep essential household and office devices running efficiently. Each AAA battery provides stable 1.5V output, ensuring consistent performance across low and medium drain electronics.

Built with alkaline chemistry, these batteries are ideal for devices that require steady energy delivery over extended periods. The compact AAA size makes them compatible with a wide range of electronics including remote controls, wireless mice, clocks, toys, and portable gadgets.

ComX Computers

Product Specification Sheet

With a total of 40 batteries (4 x 10 packs), this bulk format is perfect for users who need convenient, ready-to-use power reserves for multiple devices or long-term storage needs.

Performance tier: Standard household performance

Uses: remote controls, wireless mouse, wall clocks, toys, flashlights, calculators, small electronics

Overview

Verbatim's AAA batteries are the smallest model in the Verbatim range. They are recommended for use in devices such as MP3 players, cameras and toys that require constant power for long periods of time.

Description

The Verbatim 49920 AAA Alkaline Battery pack is engineered for dependable everyday power across a wide range of household and office devices. Each battery is built to deliver a consistent 1.5V output, making it suitable for electronics that require stable and efficient energy consumption.

This bulk pack of 40 batteries is ideal for high-usage environments where multiple devices depend on AAA power sources. The compact and lightweight design ensures easy storage, while the alkaline composition provides reliable shelf-ready performance for extended periods.

Whether used in remote controls, toys, or portable gadgets, these batteries are designed to reduce interruptions and keep devices operating smoothly.

Features

- High quality alkaline chemistry for stable energy output
- 1.5V consistent voltage for reliable device performance
- Bulk 40 pack for long term convenience and value
- Compatible with a wide range of AAA powered devices
- Ideal for home, office, and general electronic use
- Compact size for easy storage and replacement

What's in the Box

- 40 x Verbatim AAA Alkaline Batteries (4 x 10 packs)

Specifications

- Brand: Verbatim
- Model: 49920
- Battery type: AAA
- Chemistry: Alkaline
- Voltage: 1.5V
- Pack size: 40 batteries (4 x 10 packs)
- Single use: Yes
- Rechargeable: No
- Weight per battery: 11 g (approx)
- Operating temperature: -18C to 50C

FAQ

Are Verbatim 49920 AAA batteries rechargeable?

ComX Computers

Product Specification Sheet

No, these are single use alkaline batteries and are not designed to be recharged.

What devices can use these AAA batteries?

They are suitable for remotes, toys, clocks, flashlights, wireless mice, and other small electronic devices that require AAA power.

How long do these batteries last?

Battery life depends on device usage, but they are designed to deliver stable and reliable performance for everyday electronics.

Can I store these batteries long term?

Yes, alkaline batteries can be stored for extended periods when kept in a cool, dry environment.
