Dell Pro P 27 P2726h 27" Full HD 1920x1080 IPS Monitor, HDMI, DP

Product Overview

Dell 210-BVKP Pro P 27 P2726h 27" Full HD 1920x1080 IPS Monitor, 8ms GTG response time, 16:9 Aspect Ratio, 178 degree viewing angle, 150 mm Maximum adjustable height, Tilt, Swivel, Pivot, 1920x1080 at 120Hz maximum Resolution, 16.7 million colours, 1500:1 Native contrast ratio, 300 nits brightness, 99% sRGB Colour Gamut, 1x HDMI Port, 1x DisplayPort 1.4, 2x USB Type-A 5Gbps downstream Ports, 1x USB Type-B 5Gbps upstream Port, 100 x 100 VESA Mount Standard

Specifications

Overview Summary:

The Dell Pro P2726H 27-inch Full HD monitor delivers sharp visuals, smooth 120Hz performance, and reliable IPS colour accuracy for professional and home office environments. Its ergonomic stand with height, tilt, swivel, and pivot adjustments ensures comfortable viewing throughout the workday, while HDMI, DisplayPort, and USB connectivity make it easy to connect your devices. Buy now for a dependable display solution built for productivity and everyday computing.

Designed with eye comfort and efficiency in mind, the Dell Pro P2726H features low blue light technology, flicker-free viewing, and wide viewing angles for consistent image quality. The integrated USB hub and VESA mount compatibility add flexibility for modern workstations. Shop now and upgrade your workspace with a high-performance Dell monitor suitable for business, study, and entertainment.

Performance tier:Mid-range productivity monitor

Uses:Office work, remote work, business applications, multitasking, content viewing, studying, web browsing, dual-monitor setups, everyday computing

Overview:

Dell Pro P2726H 27 Inch Full HD IPS Monitor

The Dell Pro P2726H is built for professionals who need reliable performance, smooth visuals, and flexible connectivity in a modern workspace. With its 27-inch Full HD IPS panel, 120Hz refresh rate, and wide viewing angles, this monitor delivers crisp image quality and fluid on-screen movement for everyday business tasks, multitasking, and extended productivity sessions.

Designed with comfort and efficiency in mind, the monitor includes advanced eye comfort technology, extensive ergonomic adjustments, and multiple connectivity options to support modern office setups. Whether used for spreadsheets, creative workflows, remote collaboration, or multi-window productivity, the Dell Pro P2726H offers a balanced combination of performance and usability.

Description:

The Dell Pro P2726H monitor combines a 27-inch Full HD IPS display with a smooth 120Hz refresh rate for clearer motion and reduced screen flicker during daily work. Its ergonomic stand supports height, tilt, swivel, and pivot adjustments, helping users maintain a comfortable viewing position throughout the day. The display also includes hardware low blue light technology and

TÜV 4-star eye comfort certification for reduced eye strain during long sessions.

With HDMI, DisplayPort, USB connectivity, and VESA mount compatibility, the Dell Pro P2726H adapts easily to both office and home workstations. Part number MNDE210-BVKP is ideal for professionals looking for dependable image quality, wide colour coverage, and efficient multitasking support.

Features:

Built for Everyday Productivity

This Dell 27-inch monitor is equipped to handle demanding workflows while maintaining a clean and professional viewing experience. The IPS panel ensures consistent colours from virtually any angle, making collaboration easier and improving visibility across the screen.

A 120Hz refresh rate helps deliver smoother scrolling, reduced motion blur, and more responsive navigation compared to standard 60Hz displays. Combined with a 1500:1 contrast ratio and 300 nits brightness, the display produces deeper blacks and clearer highlights for improved readability.

Key display details include:

- 27-inch IPS display
- Full HD 1920 x 1080 resolution
- 120Hz refresh rate
- 178-degree viewing angles
- 16.7 million colours
- 99% sRGB colour coverage
- 99% BT.709 colour support
- 1500:1 native contrast ratio
- 300 nits brightness

Improved Eye Comfort for Long Work Sessions

The Dell Pro P2726H is designed to reduce visual fatigue during extended use. TÜV-certified eye comfort technology and integrated low blue light hardware help minimise strain without negatively affecting colour accuracy.

This makes the monitor suitable for professionals working long office hours, remote employees, developers, designers, and users who regularly multitask across multiple applications.

Flexible Ergonomics and Workspace Adaptability

Comfort plays a major role in workstation efficiency, and the Dell Pro P2726H includes a fully adjustable stand to support different working preferences. Users can customise screen positioning throughout the day for better posture and reduced neck strain.

Adjustment options include:

- Height adjustment up to 150mm
- Tilt adjustment from -5 degrees to +21 degrees
- Swivel support up to 45 degrees
- Bi-directional pivot up to 90 degrees

The slim bezel design also helps create cleaner multi-monitor configurations while maintaining a modern professional appearance.

Connectivity Designed for Modern Offices

The Dell Pro P2726H includes multiple ports to simplify device connections and peripheral management. The layout is

ComX Computers

Product Specification Sheet

designed for convenient access while supporting a variety of accessories and business devices.

Available ports and connections:

- 1 x HDMI 1.4
- 1 x DisplayPort 1.4
- 1 x USB Type-B upstream
- 2 x USB Type-A downstream
- 2 x USB-C downstream ports with up to 15W charging
- VESA 100 x 100 mounting support
- Soundbar mounting slots

The intuitive on-screen display also highlights port locations, making device setup faster and easier.

Efficient Multi-Device Management

Dell includes support for Dell Display and Peripheral Manager software, helping users and IT administrators streamline monitor management and productivity settings. This software allows easier window arrangement, firmware updates, and workspace customisation.

Productivity tools support:

- Easy Arrange multi-window layouts
- Saved application profiles
- Scheduled brightness and contrast adjustments
- Simplified firmware updates
- Centralised cloud-based device management

Firmware updates can also run silently in the background to avoid interruptions during work.

Environmentally Conscious Design

Dell integrates sustainability into the design of the P2726H monitor through the use of recycled materials and eco-conscious packaging. The monitor is manufactured using recycled plastics, aluminium, steel, and glass to help reduce environmental impact.

Environmental certifications include:

- ENERGY STAR certified
- EPEAT Gold registered with Climate+
- TCO Certified
- TCO Certified Edge

The packaging is also produced using recycled or renewable materials.

Physical Dimensions and Weight

The Dell Pro P2726H maintains a professional footprint suitable for office desks and home workstations alike.

Size and weight details:

- Width: 610.69 mm
- Display height: 354.71 mm
- Depth: 50.03 mm
- Stand depth: 192.28 mm
- Weight with stand and cables: 6.06 kg
- Weight without stand: 3.99 kg

What Comes in the Box

Included accessories:

- Power cable
- DisplayPort to DisplayPort cable
- USB Type-A to Type-B cable

The Dell Pro P2726H monitor with SKU MNDE210-BVKP delivers a strong balance of comfort, smooth performance, modern connectivity, and professional-grade image quality for everyday business and productivity environments.
