MP56 E2

Yealink MP56 E2 Android Phone for MS Teams

Product Overview

Yealink MP56 E2 Android Phone for MS Teams, Excludes PSU, HD voice, Yealink noise proof Technology, 7" 1024x600 capacitive Touch Screen Display, 5 points Multi-Touch Surface, Dual-Port Gigabit Ethernet, Built-In Dual Band 2.4GHz / 5GHz Wi-Fi, Built-In Bluetooth, 1x USB Type-A Port, 1x USB Type-C Port, 1x Security lock Port, 1x RJ9 (4P4C) Handset Port, 1x RJ9 (4P4C) Headset Port

Specifications

Overview Summary:

The Yealink MP56 E2 Android Phone for Microsoft Teams is a top-tier communication tool designed for seamless integration in office environments. Equipped with a 7-inch capacitive touchscreen and optimized for Microsoft Teams, this device enhances your calling experience with HD audio, noise-proof technology, and smart noise cancellation. Whether you're in the office, working remotely, or collaborating with a hybrid team, the MP56 E2 ensures clear and reliable communication. Shop now for the ultimate in enterprise communication, featuring versatile connectivity options such as Bluetooth, dual-band Wi-Fi, and USB support.

Performance tier: Premium

Uses: Office communication, hybrid work, remote work, video conferencing, team collaboration

Overview:

Yealink MP56 E2 Teams Edition: Optimized for Seamless Communication
The Yealink MP56 E2 is a highly efficient Android-based IP phone designed specifically for Microsoft Teams environments. With enhanced performance powered by Android 13, the MP56 E2 offers a smooth and secure communication experience, ideal for office workers, front desks, and hybrid teams.

Description:

Packed with advanced features, the Yealink MP56 E2 combines a sleek 7-inch capacitive touch screen, Yealink Optima HD audio, and smart noise-cancelling technology. This Teams-focused device ensures fast and reliable calls, making it a perfect choice for modern businesses. The phone also supports Bluetooth 5.2, dual-band Wi-Fi, and USB connectivity, delivering

flexibility and adaptability for varied work styles.

Features:

Improved Security and Performance with Android 13
The Yealink MP56 E2 runs on Android 13, which not only boosts device performance but also ensures a future-proof and secure experience. This operating system supports frequent software updates, keeping your system running smoothly and securely throughout its lifespan. With a robust security framework, the device incorporates encryption, access management, and secure authentication to protect against potential threats.

Effortless Deployment and Simplified Management
Designed for easy deployment and management, the MP56 E2 reduces setup time and complexity for IT teams. It supports centralized management through platforms like Microsoft Teams Admin Center (TAC) and Yealink's Management Cloud Service (YMCS). Administrators can quickly deploy, monitor, and update devices, while real-time alerts keep them informed of any issues like poor call quality or update failures.

Advanced Audio Quality for Clear Communication
Experience high-quality audio with Yealink's Optimal HD voice technology, Acoustic Shield, and Smart Noise Filtering. The MP56 E2's full-duplex speakerphone with Acoustic Echo Cancellation (AEC) ensures clear, natural conversations. Additionally, the device features a Hearing Aid Compatible (HAC) handset, making it accessible for users with hearing impairments.

Enhanced Microsoft Teams Integration
The MP56 E2 is designed to seamlessly integrate with Microsoft Teams. A dedicated Teams button provides one-touch access to the Teams interface, enabling users to quickly make calls, join meetings, and collaborate with colleagues. This Teams-optimized user interface makes it easier to navigate and manage your communication tasks.

Key Features and Benefits:

- Optimal HD Audio: Enjoy crystal-clear sound with Yealink's HD voice technology and noise-proof features.
- Teams-Tailored Interface: The device is designed to work flawlessly with Microsoft Teams, offering an intuitive user experience.
- Efficient Connectivity: With built-in Bluetooth 5.2, dual-band Wi-Fi, and USB support, the MP56 E2 offers versatile connectivity for various peripherals.
- Simplified Management: The MP56 E2 is compatible with Microsoft and Yealink device management platforms, allowing for easy configuration, provisioning, and real-time troubleshooting.
- Future-Proof Security: Built with Android 13 and a comprehensive security framework, the MP56 E2 ensures your data and communications are protected.

MP56 E2 Microsoft Teams Edition at a Glance

- Android 13 OSfor optimal performance
- 7-inch capacitive touch screen(1024 x 600 resolution)
- Yealink Noise Proof Technologyfor clear audio
- Dedicated Microsoft Teams buttonfor quick access
- Bluetooth 5.2and Dual-band 2.4GHz/5GHz Wi-Fifor flexible connectivity
- USB Type-Aand USB Type-C portsfor peripherals
- Supports up to 3 Expansion Modules (EXP50)
- Dual-port Gigabit Ethernetwith PoE support
- HAC handsetfor better hearing accessibility
- Supports Microsoft TAC & Yealink Management Cloud Service (YMCS)

Simplified Communication for Hybrid Work
With built-in Wi-Fi, Bluetooth, and USB connectivity, the MP56 E2 is designed to meet the needs of hybrid and remote

workers. The flexibility to connect with various devices ensures you can easily switch between different communication tools, whether it's using a headset, speakerphone, or Teams app.

Seamless Microsoft Teams Experience
The MP56 E2's Teams-specific interface and Microsoft Teams button make it an excellent choice for businesses that rely heavily on Microsoft 365. The phone is optimized for Teams calling and collaboration, allowing users to effortlessly switch between calls, messages, and meetings.

Reliable Performance for Office Environments
Built for high-performance office environments, the MP56 E2 delivers responsive, high-quality communication. The large capacitive touchscreen allows for smooth navigation, while the magnet handset adds an extra layer of usability for hands-free communication.

Key Advantages

- Clear Voice Communication: Yealink HD voice technology and advanced noise-cancelling features ensure that every call is crystal clear.
- Flexible Deployment: With support for multiple management platforms, administrators can easily deploy, manage, and monitor devices in real time.
- High Adaptability: Built-in Bluetooth, Wi-Fi, and USB ports give you flexibility in how you use the device in different working environments.

Streamline Your Workflow with Yealink MP56 E2
The Yealink MP56 E2 is a powerful communication tool that integrates seamlessly with Microsoft Teams to enhance collaboration and improve efficiency. Whether you're working at the desk, in the office, or remotely, this IP phone delivers the performance, security, and flexibility needed to keep your communications running smoothly.

In Conclusion
The Yealink MP56 E2 Teams Edition is an excellent choice for businesses looking to enhance their communication system. With its high-definition audio, seamless Teams integration, and easy management features, it offers a versatile solution for teams of all sizes. Invest in the MP56 E2 for a future-proof, secure, and highly efficient communication experience.

Specifications	
Product Code	MP56 E2
Specifications	Introduction
Audio Features	HD voice: HD handset, HD speaker
	Hearing aid compatible (HAC) handset, Magnet handset
	Yealink Noise Proof Technology
	Audio codec: G.722, G.711(A/u), G.729A/B, G.726, G.723.1, Ilbc, SILK
	DTMF: In-band, Out-of-band (RFC 2833) and SIP INFO
	Full-duplex hands-free speakerphone with AEC
	VAD, CNG, AEC, PLC, AJB, AGC

Call Handling Features	Incoming/Outgoing P2P call
	Cloud PSTN call
	Call hold/Call mute/Call transfer/Call forward
	Group SimRing
	Synchronized call logs
	Visual voicemail
Conference Features	Exchange calendar integration
	Meeting call controls (Mute/unmute, hold/resume, hang up, add/remove participant)
	Meeting details
	Schedule Teams meetings
	Join Skype for Business meetings
Presence and Contacts	Presence integration, presence status control: available, busy, DND, be right back, off work, away, reset status
	Set status message
	Corporate directory access
	Contact picture integration
Phone Features	Sign in with user credentials
	Sign in via website
	Dark theme
	Time display
	Phone lock/unlock
	Emergency calls
	Hot desking
	Accessibility
	Screensaver
	Power saving
	Dedicated Teams button
	Wi-Fi connectivity
	Supports Bluetooth headsets
	Supports USB headsets
Display and Indicator	7" 1024 x 600 capacitive touch screen
	5 points multi-touch surface
	Multilingual user interface
	Modern Teams interface, full keyboard
	LED for call and message waiting indication

Interface	Dual-port Gigabit Ethernet
	Power over Ethernet (IEEE 802.3af), class 3
	Built-in dual band 2.4G/5G Wi-Fi
	Built-in Bluetooth
	1 x USB Type-A port
	- USB headsets
	- USB flash drive
	- Up to 3 EXP50 expansion modules
	1 x USB Type-C port
	1 x Security lock port
	1 x RJ9 (4P4C) handset port
	1 x RJ9 (4P4C) headset port
Management	Configuration: Browser/Phone/Auto Provisioning and Device Management Platform
	Provisioning priority management
	Auto Provisioning via Activation Code
	Yealink Redirection and Provisioning Service (RPS)
	QoE (Monitoring Reports)
	Reset to factory, reboot
	Package tracing export, system log
	Screenshot via URL
	Supports Microsoft Device Management Platform
	Supports Yealink Device Management Platform (YMDP/YMCS)
Network and Security	IPv4/IPv6
	IP Assignment: Static/DHCP
	HTTP/HTTPS web server
	Time and date synchronization using SNTP
	Transport Layer Security (TLS 1.3)
	HTTPS certificate manager
	IEEE802.1X
Other Physical Features	Color: Classic Grey
	External Yealink AC adapter (optional): AC 100-240 V input and DC 5 V/2 A output
	USB output currency: DC 5 V/500 mA
	Power consumption (PSU): 1.5-4.5 W
	Power consumption (PoE): 2.3-6.0 W
	Dimension (W x D x H x T): 250.4 x 168.7 x 174.4 x 44.5 mm
	Operating humidity: 10-95%
	Operating temperature: -10-50degreesC (+14-122degreesF)

Package Features	Package content:
	- Yealink MP56 E2 IP phone
	- Handset with handset cord
	- Ethernet Cable (2m)
	- Type-C Cable
	- Stand
	- Quick Start Guide
	- Power Adapter (Optional)
	Qty/CTN: 5 PCS
	N.W/CTN: 7.3 kg
	G.W/CTN: 8.0 kg
	Giftbox size: 278 x 238 x 103 mm
	Carton Meas: 523 x 247 x 293 mm
