Specifications

Overview:

Genius introduces a new wireless optical mouse - NS-6005. It's a comfortable, intuitive device to control your PC. Featuring a precision 1000 dpi optical engine, NS-6005 provides great cursor control for browsing documents or Internet pages. The contoured shape is suitable for either hand and the gentle curved sides give your hand the support and comfort you need for all-day use. A convenient pico receiver snaps into the mouse for easy transport or storage. NS-6005 has a convenient battery compartment design that uses either an AA or AAA battery and a power switch is added to extend the battery life. With one AA battery, you can use the mouse for up to ten months. The bi-directional 2.4GHz anti-interference technology ensures a reliable working distance of up to 10 meters. Enjoy responsive cursor control and effortless scrolling. NS-6005 comfortably fits your on-the-go lifestyle and is the ideal companion for your PC or laptop.
