Apple Magic Keyboard with Numeric Keypad - International English - Silver

Product Overview

Apple Magic Keyboard with Numeric Keypad - International English - Silver, Model A1843, Bluetooth, Lightning Port, Lightning to USB cable

Specifications

Overview:

Magic Keyboard with Numeric Keypad features an extended layout, with document navigation controls for quick scrolling and full-size arrow keys for gaming. A scissor mechanism beneath each key allows for increased stability, while optimized key travel and a low profile provide a comfortable and precise typing experience. The numeric keypad is also great for spreadsheets and finance applications. And the built-in, rechargeable battery is incredibly long-lasting, powering your keyboard for about a month or more between charges.
