Overview:

Designed by Apple to complement iPhone 15 Plus, the Silicone Case with MagSafe is a delightful way to protect your iPhone. The silky, soft-touch finish of the silicone exterior feels great in your hand. And on the inside, there's a soft microfiber lining for even more protection.

With built-in magnets that align perfectly with iPhone 15 Plus, this case offers a magical attach experience and faster wireless charging, every time. When it's time to charge, just leave the case on your iPhone and snap on your MagSafe charger, or set it on your Qi2 or Qi-certified charger.

Like every Apple-designed case, it undergoes thousands of hours of testing throughout the design and manufacturing process. So not only does it look great, it's built to protect your iPhone from scratches and drops.
