Specifications

Overview:

Dell EcoLoop Essential Backpack 14-16

A sustainably made, everyday backpack with a large, full-access front opening and protection features that shield your laptop and essentials.

Features:

Sustainably made. Packed with protection.

The Dell EcoLoop Essential Backpack reduces our environmental impact and protects your tech gear and essentials wherever you work.

Designed with the environment in mind

The Dell EcoLoop label identifies products that are manufactured with select materials and/or processes that help reduce our environmental impact.

100% recycled packaging

The carrying case comes in packaging that's made with 100% recycled content in the hang tag, hang loop and plastic bag.

Protect your tech

The backpack provides protection on-the-go with 360° foam cushioning surrounding the laptop sleeve. It's made from durable fabric that makes it water-resistant to keep your belongings dry and protected.

Tested for durability

Our carrying cases are put through rigorous quality tests, including water resistance, strap and zipper strength and fabric abrasion, proving their sturdiness and long-lasting durability for the protection of your belongings.

Be seen

Enjoy a safe commute with reflective accents on the bag which increase visibility during low light hours.

Bring your office anywhere

Store files, documents and other work essentials in the large capacity, full-access front opening main compartment complete with purpose-built organisers for increased functionality.

Organise your essentials

Secure your water bottle or umbrella in the stretchy mesh pockets on either side of the bag. Use the front zipper pocket for

quick-access to your phone, wallet or other smaller accessories.

Carry with ease

Comfortably carry your office essentials in this lightweight backpack featuring a convenient grab handle, adjustable, padded shoulder straps and a padded back panel. A padded, dedicated laptop sleeve keeps your tech safe from knocks and bumps.
