Lightweight and comfortable, it ensures your essentials are safe wherever you go. Shop now to carry your gadgets responsibly while staying stylish.

Performance tier:Premium

Uses:Laptop storage, daily commuting, travel, work, school, organized accessory carrying

Overview:

Dell Pro 13-14 Plus EcoLoop Backpack - CP5426G

Carry your essentials in style with the Dell Pro 13-14 Plus EcoLoop Backpack. Designed for both sustainability and durability, this compact backpack offers organized storage and reliable protection for your tech, while minimizing environmental impact.

Description:

The Dell Pro EcoLoop Backpack combines practical design with eco-conscious materials. With a dedicated laptop compartment, multiple storage pockets, and water-resistant protection, it keeps your devices safe while on the move. Made with recycled content and ocean-bound plastics, this backpack supports a sustainable lifestyle without compromising on style or functionality. Lightweight and comfortable, it's ideal for daily commutes, travel, or work.

Features:

Organized Storage for Everyday Use

- Dedicated laptop compartment for up to 14-inch laptops
- Main compartment with built-in organizer for accessories
- Quick-access top and bottom pockets
- Two convenient side pockets

Eco-Friendly Materials and Design

- Constructed with 57% recycled content by weight
- Exterior fabric made from 100% OceanCycle certified recycled ocean-bound plastic
- Yarn dyed using a low-impact process that reduces greenhouse gas emissions, water use, and fossil fuel consumption

Thoughtful Packaging

- Uses 100% recycled or renewable materials
- Eliminates plastic bags for a cleaner environmental footprint

Reliable Protection for Your Devices

- Brushed Nylex lining in the laptop compartment prevents scratches
- Bumper on top and thick PE foam padding on the back safeguard against bumps and impacts
- Water-resistant Ripstop fabric with PU coating at the bottom protects from rain and spills
- Tested for durability including strap strength, zipper endurance, and fabric abrasion

Comfortable and Safe to Carry

ComX Computers

Product Specification Sheet

- Padded shoulder straps for easy commuting
- Reflective strips on side pockets and straps for visibility
- Zipper loop prevents accidental opening of the laptop compartment
- Compact design for convenient travel and everyday use
