Specifications

Overview Summary:

Elevate your gaming experience with the Alienware 545-BBFT Pro Wireless Gaming Headset. Combining wired and wireless connectivity, this headset delivers crystal-clear sound through 50mm graphene-coated drivers and AI-powered dual microphones for flawless communication. Its over-ear memory foam and leatherette cushions ensure comfort during long sessions. Shop now to enjoy immersive gaming audio with Active Noise Cancellation and Dolby Atmos support.

Perfect for competitive gaming, this headset offers tri-mode connectivity, rapid charging, and long battery life, keeping you in the game without interruption. Buy now and enhance your performance on PC, PlayStation, or mobile devices with professional-grade audio quality.

Performance tier:Professional

Uses:Gaming, esports, PC, console, mobile, immersive audio, communication, long gaming sessions

Overview:

Alienware 545-BBFT Pro Wireless Gaming Headset - Lunar Light

Elevate your gaming experience with the Alienware Pro Wireless Gaming Headset. Designed for professional esports players, this headset delivers crystal-clear audio, advanced noise cancellation, and a comfortable fit for long gaming sessions. With both wired and wireless connectivity, it ensures seamless gameplay across PC, consoles, and mobile devices.

Description:

The Alienware Pro Wireless Gaming Headset combines high-fidelity 50mm graphene-coated drivers with AI-powered dual microphones for superior communication. Active Noise Cancellation (ANC) blocks distractions, while the long-lasting battery and rapid charging keep you in the game. Tri-mode connectivity allows for wireless gameplay via Bluetooth or 2.4GHz, or wired connection via USB-C. Tailor your audio with Dolby Atmos support through the Alienware Command Center for an immersive experience.

Features:

Professional-Grade Gaming Performance

Designed with insights from Team Liquid and over 100 esports athletes, the Alienware Pro Headset delivers a competitive edge. Its high-quality audio, precise microphone clarity, and comfortable design make it a preferred choice for professional gamers across genres, including League of Legends, DOTA 2, and World of Warcraft.

Product Specification Sheet

Immersive 50mm Graphene-Coated Audio Drivers

Experience superior sound clarity with 50mm graphene-coated drivers. Lightweight yet powerful, these drivers produce accurate bass, mids, and highs without distortion, ensuring you catch every in-game detail.

Advanced Noise Reduction for Clear Communication

Stay focused and maintain crystal-clear communication with AI-powered dual microphones. Active Noise Cancellation blocks background sounds, while the boom mic isolates your voice for team coordination in high-stakes matches.

Endorsements from Pro Gamers

- CoreJJ: Comfortable fit, powerful audio, reliable mic.
- Yeon: Hear every detail, game-changing in competitive play.
- Max: ANC and comfort maintain focus during long sessions.
- Insania: Clear shot-calling with AI noise cancellation.
- Impact: Captures every sound for an edge in gameplay.
- Umti: Comfort lets me focus on teammates and alerts.

Comfortable Design for Marathon Gaming Sessions

The over-ear headset uses memory foam and leatherette ear cushions for a soft, secure fit. Lightweight construction ensures long-term comfort, even during extended gaming sessions.

Flexible Connectivity Across Devices

Tri-mode connectivity supports:

- 2.4GHz wireless via USB-C dongle for PC and PlayStation
- Bluetooth for Nintendo Switch, mobile, and multi-platform use
- Wired USB-C connection for low-latency gameplay

Long Battery Life with Rapid Charging

- Up to 75 hours via Bluetooth
- 70 hours via 2.4GHz wireless (ANC off)
- 15-minute rapid charge provides up to 8 hours of gameplay (ANC off)

Customizable Sound Experience

Fine-tune your audio settings through the Alienware Command Center. With Dolby Atmos integration, you can adjust sound preferences for immersive gameplay and enhanced situational awareness.

Product Dimensions and Weight

- Height: 20.50 cm (8.07 in)
- Width: 15.00 cm (5.91 in)
- Depth: 9.20 cm (3.55 in)
- Approx. weight: 315 g (0.69 lb)

What's Included in the Box

- Alienware Pro Wireless Gaming Headset
- USB-C wireless dongle
- USB-A to USB-C adapter
- USB-A to USB-C cable
- Detachable boom microphone
- Mic shield
- Documentation
