Comfortably versatile

Slimly designed, padded and softly lined with a front organizer pocket, you can carry this sleeve under your arm or slip it into your bag when it's time to change where you work.

Grab and go organization

Stay organized with this clutter-free carry-all any time you need to move around, whether working from home or on the go. Numerous slip and zip pockets provide a secure home for your devices, peripherals and cables, plus a convenient cable pass-through keeps your phone, power bank or headphones connected while you are on the move.

Safe and secure

Make it harder for light fingered thieves and electronic pickpockets. An RFID pocket protects your credit cards and data from scanners while double-coil, lockable zippers and slip pockets keep your possessions tucked away and secure. Plus there's a Bluetooth tracker pocket to house your tracking device that locates your bag.

Sustainable style

Carry and protect your laptop in style and feel good about it at the same time. The main material of the Renew Business Series 14.1-inch Laptop Sleeve S is made from 100% ocean-bound plastics while all tags, strings and stuffing are sourced from 100% recycled biodegradable materials.
