Proskit HW-122T Folding Type 8-piece Star key Set

Product Overview

Proskit HW-122t Folding Type 8-piece Star key Set, Tamper-Proof Star / Torx key types, Hardened Steel Bit material, Swiss-knife style Folding storage

Specifications

Overview Summary:

The Proskit HW-122T Folding 8-Piece Tamper-Proof Star Key Set is a versatile tool designed for precision and convenience. With its Swiss-knife style folding design, this set keeps all eight metric Torx wrenches compact, secure, and easily accessible. The hardened steel bits provide durability and strength, while the three-color non-slip ABS + TPE shell ensures a safe grip for any task. Perfect for electronics, automotive repairs, or hobby projects, this folding wrench set is a must-have for any toolkit. Shop now to add efficiency and reliability to your work.

Performance tier:High-quality

Uses:Electronics repair, automotive maintenance, appliance assembly, hobby projects, general DIY tasks

Overview:

Proskit Folding Tamper-Proof Star Key Wrench Set 8-Piece | HW-122T

The Proskit HW-122T is a versatile and compact toolset designed for professionals and hobbyists alike. This 8-piece folding Torx key set provides tamper-proof star wrenches in a convenient Swiss-knife style layout. The compact design allows for easy storage and portability, while the durable materials ensure reliable performance in electronics, automotive work, appliances, and DIY projects. Its non-slip, multi-color handle design helps with quick identification and secure grip during use.

Description:

This 8-piece folding Torx wrench set combines convenience and durability in a single tool. Each key is made from hardened steel, delivering excellent torque and wear resistance. The ergonomic shell is crafted from ABS and TPE for a comfortable, non-slip grip and quick color-coded identification. The folding Swiss-knife design keeps all wrenches secure and compact for safe transport. Ideal for precision work on electronics, appliances, and automotive projects, the HW-122T ensures every Torx screw can be accessed efficiently.

Features:

Compact Folding Design for Easy Storage

The Swiss-knife style layout keeps all eight metric Tamper-proof Star keys neatly folded into a single compact tool. This makes it easy to carry in toolkits, pockets, or workbags without losing any pieces.

Durable Construction for Long-Lasting Use

Each wrench bit is made of hardened steel to resist wear and provide strong torque when tightening or loosening Torx screws. The outer shell combines ABS and TPE materials to deliver durability and a non-slip grip.

Color-Coded Handles for Quick Identification

The three-color shell design makes it simple to identify the correct size at a glance. This saves time during repair or assembly tasks, especially in busy work environments.

Ideal for Multiple Applications

The HW-122T set is perfect for electronics, household appliances, automotive repairs, and hobby projects. Its tamper-proof star design ensures compatibility with Torx screws while reducing the risk of stripping.

Packing and Quantity Details

The set is supplied on a hanger card for easy display and storage. Minimum order quantities are set at 48 sets per carton, with a net weight of 7.5 kg and a gross weight of 8.5 kg per carton, occupying approximately 0.02 cubic meters.

Key Information

- 8 metric tamper-proof star (Torx) wrenches in one folding tool
- Swiss-knife style storage for compactness and safety
- ABS + TPE shell with non-slip, three-color design
- Hardened steel bits for strength and wear resistance
- Suitable for electronics, appliances, automotive work, and DIY projects
