Specifications

Overview Summary

Product:Decorduct 70mm x 20mm x 2m Half Moon Trunk White

The Decorduct 70mm x 20mm x 2m Half Moon Trunk in white is designed to provide a sleek and durable solution for cable management in homes and offices. Its half moon design allows for neat routing of wires while maintaining a clean and professional look. Made from high-quality PVC, this trunk is both lightweight and robust, ensuring long-lasting performance.

Ideal for organizing electrical wiring, data cables, and multimedia connections, this trunk enhances safety by reducing clutter and preventing accidental damage to cables. Its versatile design allows easy installation along walls, under desks, or around corners, making it an essential accessory for any workspace or residential setup.

Performance tier:Professional Home & Office Use

Uses:Cable management, Electrical wiring, Data cabling, Multimedia setups, Home and office organization

Description

The Decorduct 70mm x 20mm x 2m Half Moon Trunk White is engineered to simplify cable management in any setting. Its curved half moon design conceals and protects wires while maintaining an organized appearance. Suitable for both home and professional installations, it supports electrical, networking, and multimedia cabling. The smooth finish ensures easy cleaning and maintenance, while the durable PVC material guarantees resistance to impact and daily wear. Installation is straightforward, with mounting clips allowing secure attachment to walls or furniture.

Features

ComX Computers
