WUXGA Intel Arc BT Win 11 Pro

Product Overview

Acer Travelmate P216-71-G3 Series Core Ultra NX.BQXEA.00B TMP216-71-G3-TCO-56ZD Black Notebook, Intel Core Ultra 5 125H Fourteen (14) Core Meteor Lake Turbo Boost up to 4.5Ghz 18MB L3 Cache Processor (4 Performance Cores & 8 Efficient Cores & 2 Low Power Efficient Cores), 16GB DDR5-4800 SO-Dimm Memory (2x8GB), Supports 64GB Max Mem, 2 Memory slots, 512GB SSD Solid State Hard Drive PCIe, M.2 2280 slot, NO optical drive (No CD), 16" WUXGA (1920 x 1200 resolution) Comfyview IPS LED Backlit Display, Intel Arc Graphics, NPU Intel AI Boost 1.4GHz, 802.11ax Wi-Fi 6, 10/100/1000 Gigabit Ethernet LAN, Bluetooth, Webcam, Backlit Keyboard, Full Size Keyboard with Numpad, 2x Type-A Gen 1, 2x Type-C Ports, HDMI output, 1.8 kg, Microsoft Windows 11 Professional 64 bit, 1 Year On-site warranty

Specifications

Summary Overview:

Upgrade your workflow with the powerful Acer TravelMate P216-71-G3, now available in South Africa. This professional-grade notebook combines the latest Intel Core Ultra 5 processor with 16GB DDR5 RAM to ensure seamless multitasking and rapid performance for demanding business applications. Featuring a crisp 16-inch WUXGA display with a 16:10 aspect ratio, you gain more vertical screen space for spreadsheets and documents, all protected by robust security features like TPM 2.0 and Windows Hello support.

Designed for productivity on the go, this laptop includes Thunderbolt 4 connectivity, Wi-Fi 6E, and a full-sized keyboard with a numeric keypad to enhance efficiency during long work sessions. Whether you are managing enterprise data or collaborating remotely, the durable build and comprehensive port selection make it an ideal choice. Secure your high-performance computing needs today by buying now from our online store.

Laptop performance tier:Business Pro

Uses:Data analysis, video conferencing, office productivity, multitasking, remote work

Overview:

The Acer TravelMate P216-71-G3 Series notebook delivers a powerful blend of performance and portability designed for modern professionals. Powered by the latest Intel Core Ultra 5 125H processor, this machine utilizes Meteor Lake architecture to provide exceptional speed with up to four performance cores, eight efficient cores, and two low-power efficient cores working in harmony. The system supports up to 64GB of DDR5-4800 SO-Dimm memory across two slots, ensuring smooth multitasking for demanding applications. With a spacious 1920 x 1200 WUXGA ComfyView IPS display, users enjoy vibrant visuals and a comfortable viewing angle suitable for long work sessions.

Description

This model, identified by part number NX.BQXEA.00B, combines high-speed DDR5 memory with a rapid PCIe Gen4 SSD to ensure instant boot times and quick file transfers. The integrated Intel Arc Graphics and dedicated NPU for AI Boost make it ideal for content creation and seamless video conferencing. Designed with sustainability in mind, the laptop features an OceanGlass touchpad made from ocean-bound plastics and comes in 100% recycled packaging.

Features:

Built for Business Productivity

The TravelMate P2 series is engineered to enhance efficiency with Windows 11 Pro, offering a refined user experience that integrates seamlessly with business workflows. The 16:10 aspect ratio display provides extra vertical screen real estate, making it easier to view documents and spreadsheets without constant scrolling. A large touchpad and a full-size keyboard with a numeric keypad allow for comfortable typing and navigation, while the 180-degree hinge facilitates easy sharing of

screens during meetings.

Performance and Graphics

- Intel Core Ultra 5 125H processor with Turbo Boost up to 4.5GHz
- 16GB DDR5-4800 memory expandable to 64GB via two slots
- Integrated Intel Arc Graphics for enhanced visual tasks
- NPU with Intel AI Boost at 1.4GHz for accelerated processing
- PCIe Gen4 NVMe SSD delivering read and write speeds up to 7 GB/s

Sustainable Design and Durability

Acer has prioritized environmental responsibility in this model, utilizing PCR plastic in the power adapter casing and an OceanGlass touchpad crafted from recycled ocean plastics. The device is EPEAT registered and Energy Star certified, reflecting its commitment to energy efficiency. To ensure longevity, the laptop meets MIL-STD-810H durability standards, featuring reinforced I/O ports and Acer Dust Defender technology that minimizes dust accumulation for consistent performance over time.

Connectivity and Ports

- Thunderbolt 4 support via USB Type-C for up to 40Gbps data transfer
- HDMI 2.1 output for connecting external displays
- Gigabit Ethernet LAN for stable wired connections
- Intel Wi-Fi 6E (802.11ax) and Bluetooth 5.3 for wireless freedom
- Multitude of USB ports including Type-A Gen 1 with Power-Off Charging capability

Security and Communication

Safeguarding your data is a top priority, with this notebook featuring a Trusted Platform Module (TPM) 2.0 chip and Acer ProShield Security Manager for enterprise-grade protection. A physical privacy shutter on the webcam ensures you maintain control over your visual privacy when not in use. The FHD webcam supports HDR and TNR functions to keep your image clear in various lighting conditions, while dual microphones with AI-powered noise reduction ensure your voice is heard clearly during calls.

Display and Input Details

- 16-inch WUXGA (1920 x 1200) ComfyView IPS LED backlit display
- Non-glare coating reduces eye strain during extended use
- Acer FineTip keyboard with 1.55mm travel distance for tactile feedback
- Multigesture OceanGlass TouchPad with Windows Hello certification

The Acer TravelMate P216-71-G3 is available as part number NX.BQXEA.00B and comes pre-installed with Microsoft Windows 11 Professional 64-bit. Weighing approximately 1.8 kg, this laptop strikes a balance between robust build quality and portability for professionals on the move.

Battery Life

- 53 Wh Li-Ion battery for reliable power on the go
- Up to 12 hours of usage based on MobileMark test results
- 65W power adapter with PCR-plastic content included

What's in the box

- Acer TravelMate P216-71-G3 Notebook
- Power Adapter (65W)
- Product Registration Card and Documentation

Sensors	Hall Sensor

FAQ

Does this laptop support memory upgrades for better multitasking?

The Acer Travelmate P216-71-G3 comes with 16GB DDR5 RAM installed via two slots, and it supports a maximum of 64GB, allowing you to upgrade the memory as needed.

Is there an optical drive or CD player included in this notebook?

No, this model does not include an optical drive; instead, it features a MicroSD card reader for accessing external media files.

How secure is the data protection on this business laptop?

The device includes robust security features such as TPM 2.0, a fingerprint reader, and an IR camera with a privacy shutter to safeguard your personal information.

Can I connect multiple monitors using the available ports?

Yes, you can use the HDMI output or the USB Type-C port which supports Thunderbolt 4 to connect versatile devices and display setups.

What kind of battery life should I expect during regular work hours?

The laptop is equipped with a Li-Ion battery that offers up to 12 hours of usage based on standard MobileMark test results, making it suitable for all-day productivity.
