Printronix Printerhead assembly T6000 4 inch 203 dpi

Product Overview

Printronix Printerhead assembly T6000 4 inch 203 dpi, P220063-901, Compatible with --> T6000 4" Printer

Specifications

Overview Summary:

The Printronix T6000 4-Inch Printhead Assembly (P220063-901) is an essential component for maintaining optimal performance in your T6000 thermal transfer printer. Designed for easy installation, this OEM replacement part ensures consistent 203 DPI resolution, delivering sharp and clear prints for various applications. Ideal for high-volume environments such as warehouses and manufacturing facilities, it minimizes downtime and supports continuous printing tasks. Enhance your printer's longevity and reliability-buy now to keep your operations running smoothly.

Performance tier:Premium

Uses:Label printing, barcode printing, shipping documentation, inventory tracking, asset labeling

Overview:

Printronix T6000 4-Inch Printerhead Assembly

The Printronix Printerhead Assembly T6000 is designed for high-performance printing with precise 203 dpi resolution. Engineered to fit seamlessly with the T6000 4-inch printer, this replacement part ensures consistent print quality and reliable operation for business-critical applications.

Description:

This printerhead assembly offers easy installation and optimal compatibility with the T6000 4-inch printer. It delivers sharp text and clear graphics, minimizing downtime while supporting continuous, high-volume printing tasks. Ideal for warehouses, manufacturing, and retail environments, it ensures long-lasting performance and smooth printer operation.

Features:

Compatibility and Use

ComX Computers

Product Specification Sheet

- Specifically designed for T6000 4-inch printers
- Model number: P220063-901
- Supports both text and graphic printing with 203 dpi clarity

Durability and Performance

- Maintains consistent print quality for extended periods
- Reduces printer maintenance needs
- Engineered for high-volume printing environments

Easy Installation

- Quick replacement process
- Fits directly into T6000 4-inch printers
- No additional tools or modifications required

Why Choose the T6000 Printerhead Assembly

- Ensures sharp, reliable printing results
- Extends the lifespan of your printer
- Minimizes operational interruptions
- Compatible with a range of printing tasks in business settings
