Performance tier:High

Uses:Gaming PC builds, ARGB custom setups, compact Micro-ATX systems, high-performance cooling, PC upgrades

Overview:

MSI PAG PANO M110A Micro-ATX Gaming Chassis - Black

The MSI PAG PANO M110A Micro-ATX Gaming Chassis combines compact design, superior airflow, and vibrant lighting to elevate your gaming setup. Designed for Micro ATX builds, this chassis offers versatile component compatibility, easy maintenance, and immersive ARGB illumination. Perfect for gamers who want high performance without sacrificing style or space.

Description:

This gaming chassis supports Micro ATX motherboards, GPUs up to 330mm, and CPU coolers up to 160mm. It comes with pre-installed ARGB fans for stunning lighting effects and includes a magnetic dust filter for easy cleaning. With support for up to seven system fans, five expansion slots, and efficient airflow, the MSI PAG PANO M110A ensures optimal cooling and room for future upgrades. Its compact size fits neatly in smaller spaces while delivering high-performance gaming capabilities.

- Supports up to 7 system fans for enhanced cooling
- Magnetic dust filter for easy maintenance
- Compatible with Micro ATX motherboards and GPUs up to 330mm
- Pre-installed ARGB fans for customizable lighting
- Five expansion slots for future upgrades

Features:

Optimized Cooling for Gaming Performance

Engineered to maintain optimal temperatures, the MSI PAG PANO M110A keeps components cool even during intense gaming sessions. Its support for multiple fan and radiator configurations prevents thermal throttling and extends component lifespan, ensuring stable performance for longer gaming hours.

Easy Cleaning and Maintenance

The top-mounted magnetic dust filter makes cleaning quick and simple. Prevent dust accumulation that can lead to overheating, keeping your system running efficiently with minimal effort.

Wide Compatibility for Your Build

This Micro-ATX chassis accommodates a variety of components. It supports Micro ATX motherboards, GPUs up to 330mm,

and CPU coolers up to 160mm. With five expansion slots, there is plenty of room to upgrade your setup as your gaming needs grow.

Vibrant ARGB Lighting

Pre-installed auto RGB fans create a visually striking display that enhances your gaming environment. Customize the lighting to match your style, and showcase your build through the clear side panel for an immersive gaming experience.

Compact Design for Space Efficiency

Designed for gamers who want high performance in a smaller footprint, the Micro ATX chassis fits neatly on desks while providing ample space for high-end components. Its layout ensures maximum airflow and cooling efficiency despite the compact size.

Key Components Included

- Pre-installed auto RGB fans for efficient cooling and style
- Magnetic dust filter for easy maintenance
- Support for up to seven system fans
- Five expansion slots for future upgrades

In the Box

- MSI PAG PANO M110A Micro ATX Gaming Chassis - Black x1
