Product Overview

LinkQnet Modern Sliding In Desk Unit With Wireless Charging, includes these ports: 1x old SA power plug (Large 3-pin SANS 164-1 standard), 2X new SA power plugs (known as SANS 164-2 or the ZA Plug), 1X TYPE-C, 1X USB + Wireless charger.

Specifications

Overview summary:

This modern power box offers sleek, space-saving cable management by sitting nearly flush with your tabletop. Its sliding lid with a smart magnetic latch securely closes over the power sockets, ensuring safety and neatness. On top, an integrated wireless charger adds convenience, enabling effortless device charging without cables.

Equipped with multiple power and charging options - including Type-C, USB, and South African 3-pin sockets - this power box combines practicality with contemporary design for home or office use.

Accessory tier: Essential power management

Uses: Desk cable organisation, device charging, workspace power supply

Overview:

ComX Computers

Product Specification Sheet

This modern power box sits almost flush with your table, providing excellent cable management. It features a sliding lid with magnetic latching to close the power sockets securely. A USB-C AND ASB-A port are available in the unit as well. A wireless charger is integrated on the top, combining functionality with a sleek, modern, and sophisticated design.

Features:

- Smart Magnetic Close
- Wireless Charger
- 1x Charging Type-C
- 1x Charging USB
- 1x 3-Pin SA Power
- 2x NEW Slimline SA Power

Considerations:

As this is a rectangular box, a professional carpenter is required for installation, as the table surface will need to be cut in the correct shape and size.
