help reduce downtime and improve productivity.

Designed for scalability, the M725z includes advanced finishing options such as a 500 sheet inline stapler and stacker, making it suitable for professional document production and large office workflows.

Performance tier:Enterprise high volume

Uses:Office printing, document scanning, bulk copying, business faxing, network printing

Overview

Enable large-volume printing on a wide range of paper sizes - up to A3 - with a 4,600-sheet maximum input capacity. Preview and edit scanning jobs; centrally manage printing policies; safeguard sensitive business information.

Description

The HP LaserJet Enterprise M725z is engineered for high demand office environments that require reliable, secure, and efficient document management. Its multifunction capabilities allow users to print, copy, scan, and fax from a single centralized device, reducing the need for multiple machines.

This model features multiple paper input sources including 100 sheet multipurpose tray, dual 250 sheet trays, and additional 500 sheet feeders with cabinet and stand support. It is designed for scalability in busy office workflows where consistent output and high capacity handling are essential.

With integrated Gigabit Ethernet connectivity and a secure hard disk system, the printer supports safe network integration and controlled document access for enterprise level operations.

Features

- Print, copy, scan, and fax in one enterprise device
- Built in high performance secure hard disk for document protection
- Gigabit Ethernet 10/100/1000Base-T network connectivity
- Multiple paper trays including 100 sheet, 250 sheet, and 500 sheet options
- 100 sheet automatic document feeder for fast scanning and copying
- 500 sheet inline stapler and stacker for professional finishing
- Expandable paper handling with additional feeder and cabinet support
- Designed for high volume office printing environments
