Overview:

Microworld Privacy Screen Protector for 16-Inch Devices
Ensure your digital privacy wherever you go with the Microworld Privacy Screen Protector for 16-inch screens. Designed to shield your display from prying eyes, this screen filter combines high transparency with anti-glare technology for a comfortable and secure viewing experience.

Description:

This 16-inch privacy screen protector is crafted from high-quality PET material, offering a sleek light black tint and grade AAA durability. It prevents people from seeing your screen from side angles while reducing glare, fingerprints, and scratches. Easy to install using adhesive tape, it is compatible with laptops, monitors, and tablet PCs with a 16:9 aspect ratio. Ideal for work,

travel, or public spaces, it enhances both privacy and screen protection.

Features:

Why Choose This Privacy Screen Protector

- Prevents side-angle viewing to keep sensitive information safe
- Reduces glare for improved screen visibility in bright environments
- Resists fingerprints, scratches, and smudges for cleaner screens
- Maintains screen clarity without distorting colors
- Simple adhesive tape installation for a secure fit

Compatible Devices and Sizes
This privacy filter is suitable for a variety of devices including PCs, notebooks, tablet PCs, and monitors. It is specifically designed for screens with a 16-inch size and a 16:9 aspect ratio.

Durable and High-Quality Material
Made from PET material with a thickness of approximately 0.45 + 0.02mm, this privacy protector offers long-lasting protection. Its light black tint ensures a professional look while safeguarding your screen against scratches, oils, and glare.

Easy Installation
The screen protector comes with a private mold and uses adhesive tape for quick, bubble-free application. No special tools are required, making it a hassle-free solution for any device.

Protect Your Privacy Anytime, Anywhere
Whether in a busy office, a coffee shop, or while traveling, this privacy screen protector keeps your personal and professional information secure while enhancing your viewing comfort.
