Performance tier:Mid-range

Uses:TV audio enhancement, music playback, gaming sound, movie nights, home entertainment

Overview:

Xiaomi Soundbar 2.0ch - High-Quality Audio with Modern Design

Transform your home entertainment setup with the sleek and powerful Xiaomi Soundbar 2.0ch, designed to deliver immersive sound and minimalist aesthetics in one compact package. Wrapped in a sophisticated black mesh fabric, this soundbar blends seamlessly into any living space while offering practical benefits like dust protection and efficient heat dissipation. Whether mounted on the wall or placed beneath your TV, its slim profile ensures unobstructed viewing and effortless integration into modern home decor.

Description:

The Xiaomi Soundbar 2.0ch offers 30W total output through dual full-range racetrack speakers for rich, detailed audio from 70Hz to 20kHz. Its duct-type sound cavity boosts bass and projection for a cinematic experience in movies, music, and gaming. With Bluetooth 5.3 for low-latency wireless streaming and multiple wired input options including SPDIF, optical, coaxial, and AUX, it adapts to almost any setup. Its slim, wall-mountable design makes it ideal for small to medium living spaces, providing both style and performance.
