Performance tier:High

Uses:Parties, outdoor gatherings, home audio, braais, beach trips, poolside entertainment, casual listening

Overview:

Xiaomi Sound Party 50W Bluetooth Speaker - Black

Unleash powerful 50W stereo sound anywhere in South Africa with the Xiaomi Sound Party Bluetooth speaker. Designed to deliver immersive audio, this speaker combines vibrant WRGB lighting with long-lasting battery performance, making it perfect for outdoor adventures, social gatherings, or casual listening.

This speaker offers up to 26 hours of continuous playback at moderate volume, ensuring your music lasts as long as your events. With IP67 dust and water resistance, fast Type-C charging, NFC support, and TWS stereo connectivity, it provides a seamless and versatile audio experience. Its portable design makes it easy to take the party wherever you go.

Features:

Immersive Audio for Every Occasion

The Xiaomi Sound Party 50W Bluetooth speaker is built to fill any space with rich, clear sound. Its 50W output ensures every note is delivered with depth and precision. Perfect for braais, outdoor gatherings, or lively get-togethers, this speaker transforms any environment into a vibrant audio experience.

Long-Lasting Playback

Equipped with a 5200mAh battery, the speaker offers approximately 26 hours of playtime at 50% volume. The Type-C charging port supports fast charging, giving you 2 hours of playback with just 10 minutes of charge. Continuous music is effortless, keeping your events lively from start to finish.

Wireless Freedom and Dynamic Lighting

With a wireless range of up to 25 meters, you can control your music without being tethered to your device. Pair two Xiaomi Sound Party speakers using True Wireless Stereo (TWS) for a wider soundstage and more immersive audio. The WRGB multi-colour lighting pulses and syncs with your music, creating an exciting visual atmosphere.

Durable Design for Outdoor Use

The IP67 rating ensures the speaker is dustproof and waterproof, making it ideal for beaches, pools, and outdoor trails. Lightweight yet robust, this portable speaker offers convenience without compromising sound quality or stability, making it a reliable companion for every adventure.

True Wireless Stereo for Bigger Sound

Enhance your listening experience by connecting two Xiaomi Sound Party speakers. The TWS function creates a stereo setup with up to 10 meters of separation, perfect for larger gatherings or immersive audio enjoyment. This feature allows flexible placement while delivering high-quality sound throughout the space.

Extended Battery Life for Non-Stop Entertainment

The 5200mAh battery supports extended playback for long events, ensuring uninterrupted music throughout the day and night. Rapid charging ensures you can quickly resume your party without long interruptions.
