Overview Summary

Reolink TrackMix PoE - 4K Dual-Lens PTZ Camera

The Reolink TrackMix PoE is a dual-lens 4K PTZ security camera offering both wide-angle and telephoto views with automatic tracking for people, vehicles and animals. With Power over Ethernet setup and smart detection, it delivers reliable all-round monitoring at an excellent value.

Built for indoor and outdoor use, this IP65 weatherproof camera features full-colour spotlight night vision, infrared mode and support for microSD, NVR or Reolink Home Hub storage. It also offers two-way audio and siren alerts to deter intruders.

Performance tier:Premium 4K dual-lens smart PTZ

Uses:Outdoor perimeter monitoring, driveways, gardens, entryways, business security

Description

The Reolink TrackMix PoE combines a wide-angle lens for broad situational awareness and a telephoto lens for detailed close-ups with 6x hybrid zoom. It automatically tracks people, vehicles or animals with smooth PTZ movement or digital zoom, adapting to changing scenes. Ideal for areas such as driveways, gardens or commercial perimeters.

Installation is simple via PoE using a single cable for power and data. The camera supports local storage via microSD (up to 256 GB), Reolink Home Hub or connected NVRs. Color spotlights and infrared LEDs ensure clear recording day and night, while two-way audio and dual deterrent warning (light and siren) provide active protection. It integrates with the Reolink App or Client and voice control via Google Assistant, making it a smart and intuitive security solution.

Product Specification Sheet

- Wide-Angle & Telephoto Lenses
- Dual View, Dual Tracking
- 4K 8MP Ultra HD
- Power over Ethernet

Dual Views, Dual Tracking

This dual-lens camera delivers wide-angle views of the entire scene and stunning 4K close-ups for the finest details. When a person, vehicle, or animal is detected, it automatically tracks the subject in the two views, ensuring nothing is missed.

4K Stunning Clarity, Day or Night

The camera with 4K 8MP Ultra HD resolution captures images with sharp details. When its spotlights are on, TrackMix PoE provides full-color night vision. Even when there's no light at all, its infrared LED still enables high-quality night recording videos.

Person/Vehicle/Animal Detection

Empowered by smart detection technology, it distinguishes between people, vehicles, and animals, keeping you informed of real threats that matter.

2-Way Audio

Built-in mic & speaker allow you to listen and talk back to whoever the camera catches in real time: a "hello" to families and friends or a warning to suspicious strangers.

Dual Warning

When motion is detected, the camera will shine a light and sound the siren to warn off potential intruders. Stop the crime before it happens.

Fast & Simple PoE Setup

Thanks to Power over Ethernet (PoE) technology, this IP camera can transmit videos and be charged simultaneously via only one single network cable. Easy and quick to set up.

Flexible Storage, Tailored to Your Needs

Versatile storage options are offered: microSD card, Reolink Home Hub Series, and NVRs. Choose the solution that suits you best and enjoy reliable access to your footage.

microSD Card

Supports up to 256GB microSD card for local storage.

Reolink Home Hub Series

Works seamlessly with the Reolink Home Hub series for encrypted and centralized storage.
