Lenovo TB336ZU IdeaTab 11 2.5K 2560x1600 8GB RAM 256GB storage Android Tablet Matt Edition

Product Overview

Lenovo TB336ZU IdeaTab 11 2.5K 2560 x 1600 8GB RAM 256GB storage Android Tablet Matt Edition - Grey, MediaTek Dimensity 6300 CPU, 8GB LPDDR4x RAM, 256GB UFS 2.2 storage, 5G, Voice call, Lenovo Folio Keyboard + Lenovo Tab Pen, Android OS, Nano-SIM & MicroSD card slot, 4 Speakers optimized with Dolby Atmos, Mono Microphone, Front 5.0MP / rear 8.0MP camera, Accelerometer Sensor, Ambient Light Sensor (ALS), Hall Sensor, 11" 2.5K (2560 x 1600) IPS 500nits 90Hz 10-point Multi-Touch Display, Paper-like Anti-Glare screen

Specifications

Overview Summary:

The Lenovo IdeaTab 11 2.5K tablet delivers a balanced combination of performance, portability, and versatility for everyday users. With its sharp 11-inch 2.5K display, smooth 90Hz refresh rate, and powerful MediaTek processor, it's built to handle work, entertainment, and multitasking with ease. The included folio keyboard and tab pen make it a practical choice for productivity, note-taking, and content creation on the go.

Designed for convenience, this Android tablet features 5G connectivity, ample 256GB storage, and immersive Dolby Atmos speakers for a complete multimedia experience. Its slim, lightweight metal build makes it easy to carry, whether you're commuting, studying, or working remotely. Buy now and enjoy a reliable, feature-rich tablet that adapts to your daily needs.

Performance tier:Mid-range

Uses:productivity, note-taking, media streaming, online learning, light gaming, business travel

Overview:

The Lenovo IdeaTab TB336ZU delivers a balanced mix of performance, display quality, and portability, making it suitable for both productivity and entertainment. Powered by a MediaTek Dimensity 6300 processor, this 11 inch Android tablet handles multitasking efficiently, while 8GB of RAM ensures smooth app switching. The 2.5K IPS display with a 90Hz refresh rate enhances visual clarity and responsiveness, whether you are streaming, browsing, or working on documents. With 5G connectivity, voice calling support, and a bundled keyboard and pen, it transitions easily between a media device and a light productivity tool.

Description:

The Lenovo IdeaTab TB336ZU is a versatile Android tablet designed for users who need both mobility and functionality in one device. It combines a high resolution 11 inch display, reliable 5G connectivity, and efficient processing power to support everyday tasks, content consumption, and light creative work. The included Lenovo Folio Keyboard and Tab Pen extend usability, making it suitable for note taking, typing, and remote work. Its slim metal design and long lasting battery make it practical for use at home, in the office, or on the move.

Features:

Performance and Processing Power

At the core of the device is the MediaTek Dimensity 6300 octa core processor, designed to handle modern applications with

ComX Computers

Product Specification Sheet

efficiency. The combination of performance and efficiency cores ensures stable operation across different workloads.

Key performance components include:

- MediaTek Dimensity 6300 octa core CPU with up to 2.4GHz clock speed
- Integrated Arm Mali G57 MC2 graphics for smooth visuals
- 8GB LPDDR4x RAM for multitasking
- 256GB UFS 2.2 internal storage for fast data access

Storage can be expanded via microSD, supporting up to 2TB, providing flexibility for media libraries and work files.

Immersive Display and Visual Experience

The 11 inch IPS panel offers a 2.5K resolution of 2560 x 1600, delivering sharp detail and vibrant color reproduction. The 90Hz refresh rate improves scrolling fluidity and overall responsiveness.

Display highlights:

- 11 inch IPS panel with 2.5K resolution
- 500 nits brightness for comfortable indoor and outdoor use
- Anti glare, paper like finish for reduced reflections
- 10 point multi touch support
- 85 percent screen to body ratio

The TÜV Rheinland certifications for low blue light and flicker reduction contribute to a more comfortable viewing experience during extended use.

Audio, Cameras and Multimedia

The tablet is equipped with a quad speaker system enhanced by Dolby Atmos, providing clear and immersive sound for videos, music, and calls.

Multimedia capabilities:

- 4 speakers with Dolby Atmos optimization
- Front 5MP camera for video calls
- Rear 8MP camera for basic photography
- Mono microphone for voice input

Connectivity and Mobility

Designed for modern connectivity needs, the device supports 5G networks alongside standard wireless options.

Connectivity options include:

- 5G Sub 6 GHz support with Nano SIM
- Wi Fi 5 and Bluetooth 5.2
- GPS, GLONASS, Galileo, and A GPS positioning
- USB C port for charging and data
- 3.5mm audio jack

Voice calling capability adds another layer of practicality, allowing the tablet to function similarly to a smartphone when needed.

Design and Build Quality

The Lenovo IdeaTab TB336ZU features a slim and lightweight metal chassis in Luna Grey, combining durability with portability.

Product Specification Sheet

Physical characteristics:

- Dimensions: 254.59 x 166.15 x 6.99 mm
- approximately 480 g
- Metal construction for a premium feel
- IP52 rating for dust and splash resistance

The device also includes useful sensors such as an accelerometer, ambient light sensor, and hall sensor for improved usability.

Battery and Everyday Usage

A 7040mAh battery supports extended usage throughout the day, whether for work sessions or entertainment.

Power details:

- 7040mAh typical battery capacity
- 20W charging via USB C

Product Identification and Platform Details

This configuration is identified by Part Number Retail ZAFM0259ZA and belongs to the Lenovo TB336ZU series. It ships with Android 15 or later, ensuring access to the latest features and security updates within the Android ecosystem.

Included Accessories and Added Value

The package enhances productivity straight out of the box:

- Lenovo Folio Keyboard for typing tasks
- Lenovo Tab Pen for note taking and creative input

These additions make the device suitable for students, professionals, and casual users who need more than just a standard tablet experience.
